The main test in baseball is the long highway, just as one of the main tests in football is ability to last without injury. The brittle athlete is of no great help. You build around him and he manages to get hurt when needed most. Pooley Hubert, of Alabama able toplay every minute needed for four years, was one of the most valuable of all the stars. He was a rugged type who could stand pounding. The non-rugged type has a seamy time of it If you'll check back you'll find that most of baseball's greatest stars were good for fifteen or twenty years—Pop Anson, Cy Young, Nap Lajoie, Hans Wagner, Ty Cobb, Tris Speaker, Eddie Collins, stuffy McInnis, Walter Johnson, Alexander, Christy Mathewson, Chief Bender, Buck Wheat—all up around the top year after year. Which proves that stamina and skill have certain connecting qualities—not always, but the greater part of the time.

Young vigor to old folks

"I cannot find words to praise Tanlac. I could not ride train or trolley without being sick and was in constant pain. Regular sleep was impossible. Tanlac made me a new woman." Mrs. Albert J. Tucker, 120 Orchard Street, Nanticoke, Pa.

One of Tanlac's greatest blessings is the new life and vigor it brings to old folks. Every day men and women up in the seventies and eighties thank us for Tanlac's wondrous benefits.

Tanlac is a natural tonic, made from roots, barks and rare herbs. Harmless to man or child. It cleans the blood, stirs up the liver and puts digestive organs in working order.

If your body is weak and rundown, if you lack ambition, can't eat or sleep, you'll be delighted with Tanlac's results. Take Tanlac Vegetable Pills for constipation.

"Have a Camel"

No cigarette satisfies the taste like a Camel

HAVE a Camel, and let your taste be satisfied! Millions of experienced smokers just wouldn't buy or smoke any cigarettes but Camels.

Camels are so different from other cigarettes. So glorious in flavor and fragrance. Because of their choice tobaccos and perfect blending, Camels are all pleasure, pure golden contentment. Nothing is omitted to make Camel quality the biggest sensation in the history of smoking. Camels give you the utmost in cigarette enjoyment.

Right here you have the reason why Camel makes—and *keeps*—so many friends: *Camels satisfy the taste as no other does. They never tire the taste or leave a cigaretty after-taste no matter how freely you smoke them.* And what a glowing contentment their goodness brings! Camels are the only cigarettes in the world that have the completely satisfying quality. For your taste's sake, demand them. Their pleasure-bringing goodness is your right.

Have a Camel!
