BASEBALL ON EASTERN SHORE

OFFICIALS OF LEAGUE PREPARING TO EXPEDITE TRAVEL BY PRACTICAL SCHEDULE

Endeavoring to furnish the Eastern Shore League with a schedule that will expedite travel and lessen transportation expenses has resulted in failure of the schedule committee to agree upon the program of games for the loop this year.

The committee, composed of Hayes Wilson, Dover; Paul Comes, Salisbury, and Charles L. (Buck' Herzog, Easton, held its second meeting here Tuesday and vainly tried to solve the situation. Each member will design another schedule to submit at a meeting to be held in a few days. It is believed that a final draft will be approved then.

Since the league was established four years ago, the schedule has been arranged in such a manner that each club alternates by playing two contests with each club in the swing around the circuit. One of the games is played at the home park and the other on alien soil.

This method has been an enigma to officials of clubs located on the extreme limits of the loop. It means longer hauls and additional expense for the organization. Salisbury, located at the club of the wheel is the only club not affected.

Transporation is made by motor bus in nearly every instance. The past schedules would at times send Dover to Parksley, then the return game home. On the third day, more than likely the Dobbins would be scheduled in Crisfield and on the fourth back in Dover. The same applies also to Easton in the northern section and Crisfield and parksley in the southern end.

The distance from Dover to Parksley and Crisfield is about 90 miles. This means that these extreme clubs travel 180 miles upon days when playing each other. A double header only tends to increase the ordeal for the players.

Dover's solution to the problem is to arrange the schedule in such a manner that the Dobbins would play Crisfield one day and following day go to Parksley, then return for two days in their own ball park.

Objection to this proposal has arisen from the fact that such a schedule would quite throw all the games of the day down in the lower end of the loop and then back in the upper end.

It has been the objective in the past to distribute the games as far as possible. This, it is believed, has boosted the gate receipts throughout the league.

Nature's own body builder

"Indigestion weakened me so I tired easily, lost ambition and could neither eat nor sleep naturally. In four weeks Tanlac put me back in first-class shape. It's a wonderful tonic!" Officer C. D. Hinckle, 4345 Fleming St., Philadelphia, Pa.

Tanlac is Nature's greatest tonic and builder. Made from roots, barks and herbs after the Tanlac formula, it revitalizes the blood, tones up the digestive organs and puts the whole system in fighting trim.

Don't go about your work sickly and discouraged. Take the example of millions who have been helped by Tanlac. Stop at your druggist's today and get this wonderful tonic. You'll be surprised how quickly you improve. For constipation take Tanlac Vegetable Pills.

BACKACHE IS A WARNING!

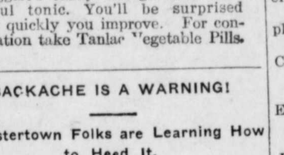

Chestertown Folks are Learning How to Heed It.

Are you miserable with an aching back? Do you get up lamp and stiff; drag through the day feeling tired, weak and depressed? Then you should help your kidneys. Backache is often the first sign of failing kidneys. Urinary troubles quickly follow. Neglected, there's danger of gravel, dropsy or fatal Bright's disease. Don't wait for serious kidney sickness! Use Doan's Pill,s, a stimulant diuretic to the kidneys, before it is too late. This Chestertown resident tells an experience:

James E. Newton, prop., of tailor shop, R. F. D. No. 2, says: "A cold settled in my kidneys and caused a dull, nagging ache in my back. Mornings my back was lame and stiff and when I stooped to do any lifting, such a sharp pain went through my kidneys, it was a task to straighten up again. Doan's Pills which I bought at Toulson's Drug Store soon rid me of the backache and I haven't any return of the trouble."

HIGH SCHOOL PLAY DRAWS LARGE AUDIENCE

The annual class play by the seniors of the Chestertown High School was presented in the Lyceum Theatre Tuesday night, and despite the unfavorable weather, drew a crowded house. The play, entitled "The Girl From Upper 7" was a typical western story depicting the discomforting experience of elite eastern city visitors to the home of their uncouth western cousins. The characters were unusually well portrayed reflecting much credit to participants and directors. The cast of characters follows:

Rev. John Blake, Wm. Allan Robinson.

Francis Hughes, "Acting manager of the W. R. & C. R. R., George Turner.

Edward Fielding, From the East employed in the office of the W. R. &. C., Marion Sutton.
