I'M THE MAN IN CHARGE of

VANSANT & NEWSOME'S WONDERFUL SALE

I've come to Chestertown for no other purpose but to turn this entire stock of Vansant & Newsome into Cash Money. They have given me free rein---they have told me to go to it. They have left the price slashing up to me, and I'M HERE TO SAY, FOLKS, THAT I'VE NEVER CUT THE PRICES SO DEEP in all my sales experience. These Magnificent Bargains will almost take your breath away. You'll marvel, you'll wonder. You will positively be amazed at the steps I have taken and the price cutting I've done to realize what Vansant & Newsome want. The merchandise is all guaranteed First Quality; it's all the regular stock of this reliable store. Nothing but what you would buy and pay full price for any other time.
