In Chevrolet you get more for your money than in any other car built.

You get every essential improvement developed by automotive engineers during the last twelve years of progress.

You get the greater flexibility of Chevrolet's 3-speed transmission—the greater power and smoothness of Chevrolet's valve-in-head motor—the easier, safer handling of Chevrolet's semi-reversible steering gear—the greater comfort of semi-elliptic springs.

Buy no other low-priced car until you have compared it with Chevrolet. Check point for point—feature for feature. Know what you are actually getting for the price you pay. Let us give you a demonstration.

THE CHEMIST

By Edgar A. Guest

In a laborattory from day to day,
With tubes and filters and twisting coils,
There waits and watches a chemist gray—
Seeking fo rtruth, as his mixture boils.
And nobody knows, for nobody hears,
Of the countless failures that mark his years.
Now gold is found by a lucky stroke,
And some grow rich in a single day.
Fame can be won with a song or a joke,
But the chemist has chosen a sterner way.
He watches and waits in his workshop dim
He watches and waits in his workshop dim
And a thousand failures mean naught to him.
His dreams prove false, and he starts anew,
Over and over his tests he tries,
For the hardest thing in the world to do
Is to find the truth when it buried lies.
And never by chance is the chemist moved,
He must wait for years till his work is proved.
Success comes often to men in trade,
The skillful hand can its deeds repeat,
A builder can point to the things he's made,
But the chemist works in his dim retreat.
And his failures are many, his victories few,
For his lifetime will give him but one or two.

TO CAN LIMA BEANS

FIVE HUNDRED ACRES PLEDGED TO NEW INDUSTRY IN DORCHESTER COUNTY THIS YEAR ....

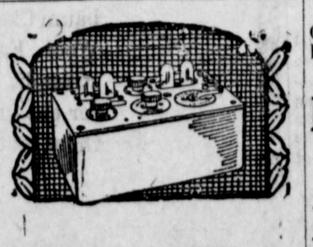

Dorchester County farmers in the vicinity of Cambridge and Hurlock, Maryland, are this year keenly interested in the proposed plan to grow the small variety of Hunderson Bush Lima beans for packing purposes. This is an entirely new venture in the section, but that it is meeting with approval is evidenced by the fact that 500 acres are to be devoted to the crop. The Phillips Packing Company, of Cambridge, will can the product.

At a recent meeting of the Dorchester Farm Bureau the matter of growing Hunderson Bush Limas for packing was taken up in detail and presented by John E. Patten, manager of the farm bureau. He gave an instructive address on the proper methods to be used in growing and harvesting the crop, the method of grading, the prices to be paid and in fact a complete outline from the time of planting to the actual canning.

The proposal has been well received by the farmers in the section. About 300 acres near Cambridge and about 200 near Hurlock have been pledged to the experiment of growing the limas.

Regular ferry service by June 1, between the Del-Mar-Va Eastern Shore and New Jersey, with the terminals at Lewes, Del. and Cape May Point on the Jersey side of the bay is now assured.

Approximatly a month will be required to complete the Two piers and to work out the final points in the ferry service. Two large lake steamers, equipped with every convenience to carry passengers, automobiles and spacious room for frieght, will be provided. The distance between piers will be about twelve miles as the steamers will have to go "outside" or into the ocean, in their course. The time schedule per trip will be one hour.

ARE YOU RHEUMATIC?

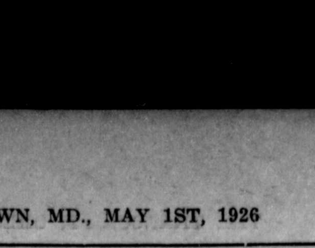

Many Pangs That Pass for Pheuma-....tism Are Really Due to Weak .... Kidneys

Do you suffer the agonizing pangs of rheumatism? Are you tortured with rheumatic joints and stabbing twings? Then you should know that many so-called rheumatic troubles are due to an excess of uric acidand must be treated through the kidneys. When the kidneys weaken, the whole system is upset by these body poisons. Help your kidneys with a stimulant diuretic. Use Doan's Pills, the remedy your neighbors recommend! Here is a Chestertown Man's case:

R. A. Smith, retd. farmer 110 E. High St., says: "My back was lame and I had a constant dull ache through the small of it. My kidneys were out of order, too, and the secretions were scanty. I often had rheumatic pains through my limbs and I also had headaches and dizzy spells. I used Doan's Pills and they brought relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Smyth had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
