GOING OUT OF BUSINESS

I started in business in Rock Hall about two years ago. It is with a feeling of great reluctance and geniune sorrow that I announce to you the fact that this store is going out of business in Rock Hall. For about two years this store has endeavored to supply the wants of its customers with the highest grade merchandise obtainable at a very minimum of cost. My efforts have not been rewarded, for I have not made any money here since I opened. Now I'm discouraged if you want the real truth! I've decided to make this a real wind-up, and there's not going to be any attempt at a comeback. I'm going out of business. I can't afford to give this stock away, but I'm going to do the the next best thing to it and sell all I have for what I can get. I've decided to close this place and you can't make it quick enough for me!

Sell Out! Sell Out! Sell Out!

That's the only thing on my mind. When anyone gets to that point he might as well get the matter off his chest and get it over with. So that's what I'm doing. I will dump my entire stock on the retail market of Rock Hall at whatever price I can get.
