Kent County Law And Order League

Pursuant to the public meeting held in the Lyceum Theatre last Sunday, a movement has been inaugurated looking to the formation of a Law and Order League in Kent County. The declaration of principles to which all members will be asked to subscribe follows:

We, citizens of Kent County, in view of present efforts intended to discredit and nullify laws enacted by both State and Federal governments, do solemnly subscribe to and declare the following principles to be essential to the stability of our State and Federal governments, and to the security of life, liberty and the common welfare of all loyal citizens.

1. We subscribe to and defend the Constitution of the United States of America and the Constitution of the State of Maryland, and we denounce as enemies of our Country and State all those who would nullify the provisions of the same, but grant the right to any citizen or citizens to advocate amendments thereto by the orderly methods prescribed therein.

2. We believe the Eighteenth Amendment to the Constitution of the United States was and is the expressed will of the majority of the citizens thereof, and that the Federal Congress and the Legislature of the State of Maryland should respectively enact such laws as are necessary for the enforcement of this Amendment.

3. We believe that only such persons as hold the aforesaid principles as essential to the proper administration of the law, can truthfully and without equivocation or mental reservation, subscribe to and keep and perform the oath of office required of legislative, judicial and administrative officers.

Therefore, we hereby pledge our support to the nomination and election of only such candidates for legislative, judicial and executive offices, who freely and unequivocably subscribe to these principles.

Candidates Named By College Alumni

Members Of Board Of Governors And Visitors To Be Elected Soon

The executive and advisory committees of the Washington College Alumni Association held a meeting in the office of Dean J. S. William Jones, secretary of the association, and selected a list of candidates for election to the board of visitors and governors of the college to fill the vancancies of those representatives of the association on the board whose terms expire June 1.

There will be four vacancies from each of the following districts: Cecil county, Dorchester county, New York and Baltimore.

A number of the members of the alumni association in each of these districts were asked to submit names from which candidates could be selected by the executive committee, and in each instance these recommendations were followed.

Albert D. Mackay was renominated to represent Cecil county district Albanus Phillips, of Cambridge, the Dorchester district; H. Staunton Brown, the New York district and the following were nominated from the Baltimore district: Thomas H. Carey, the Rev. Dr. Wyatt Brown and Dr. Samuel W. Wiley.

These names will be placed on ballots to be forwarded to each of the 1,200 members of the association who have the right to vote. These ballots will be returned to Mr. Jones the latter part of the month and a committee of judges, composed of Stephen R. Collins, William B. Usilton and Mrs. Harry Williams, will count the ballots and announce the result.

The Governor of the State has the privilege of naming an equal number of representatives on the board.

HERBERT E. PERKINS, Attorney.
