SPORTS OF WEEK

WASHINGTON IN WINNING STRIDE —OTHER SPORTING EVENTS

Miss Alverta Brice, one of Kent's leading exponents of horseback riding, starred in a polo game for Baltimore against Washington Sunday.

Washington College handed Mt. St. Marys a 9-2 defeat Saturday on the local diamond. Carroll was invincible on the mound for Washington. The first inning went scoreless for both sides, but in the second stanza Washington trotted out their best batting boots and before three were out had shoved three runs across the pan. They added two more in the third, one in the fourth, and finished in the fifth by repeating the dose of three. The Mounts scored one each in the eighth and ninth, when after men were put on base by error the local Collegians elected to play for a sure out rather than trying to stop a score.

This was Washington's second victory recently. The team has showed decided improvement during the past few weeks.

For the second successive year the Washington College track team romped off with the Maryland Dental School meet open to all Maryland Colleges except Maryland and Hopkns. In winning, Coach Farie's team rolled 58½ points against 28½ for St. Johns who carried off second honors. Blue Ridge was third, Loyola fourth and Western Maryland fifth. Maryland Dental also competed but did not take a single point. Two handsome cups were presented the Washington team, one for last years victory, the other for this years win.

The local track and field artists will try their wares against Blue Ridge on tis Saturday when the two teams meet for a dual contest on the local field. The first event is scheduled for 1.30 p. m., so that the meet will not interfere with the Washington-University of Maryland baseball game, which will be held the same afternoon.

Nobody can laugh this off
PRINCE ALBERT has been such a revelation to men who *thought* that they were pipe-happy that *three* pipes are smoked today where *one* was smoked before. That's a fact, Men, just as sure as little bees buzz and polliwogs have tails.
And you don't need a degree from Oxford to figure out the reason: The Prince Albert process cuts out bite and parch pos-i-tive-ly and Prince Albert quality makes it the National Joy Smoke. That means you can cram this fine old favorite into the bowl of your jimmy-pipe and turn on all five tubes . . . go to it any way you please . . . slow or fast, morning to midnight!
Yes, sir! P. A. is the taste-teasingest, tongue-pleasingest tobacco that ever tumbled into a briar. Its smoke is the coolest that ever sifted into your system. Its fragrance keeps honeysuckle and your favorite rose fighting for second place.
Put it on your pad now: You've got a date this very day with the smoke-shop that hands out P. A. sunshine in tidy red tins. Decorate yourself with the degree of P. A., and get the *highest* degree of pleasure out of that old pipe.
P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

PRINCE ALBERT
—no other tobacco is like it!
