Sparkling Beauty

This Modern Oil Stove Gives Gas Cooking Speed

THE Red Star brings to Oil Stove users a double value. First, an oil stove of unrivaled beauty—with a sanitary, easily cleaned finish that it is a joy to keep bright and shining. Second, a cooking service fully equal to the finest gas range.

The Red Star burns oil, without wicks. It cooks with a heat as intense and as even as gas. The patented Red Star all-metal burners give

Red Star this remarkable advantage. They give you gas speed for cooking, and they also give you gas stove simplicity and cleanliness.

There is a Red Star of the exact size you need—two to six burners. And there is a price for every purse. If you now live, or intend later to live in a section where oil is used for cooking, come in and see the Red Star.
