"A purse without money is but a piece of leather"

"Likewise, a motor that's got no power is a pretty useless piece of baggage for any man to drive around. After all, he can't go anywhere in comfort—at least can't take a hill on high, nor pull a big piece of bad road without shifting gears.

GET AT THE CAUSE

The Advice of a Resident of This Locality Shows a Way.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretons. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is a burden. Doan's Pills—a stimulent diretic to the kidneys-have brought peace and comfort to many Chestertown people. Profit by this Rock Hall resident's experience.

Marion Coleman, plasterer, Rock Hall, Md., says: "My back was lame and achy and when I stooped, knife-like pains cut through my kidneys, and it was all I could do to straighten. It was almost impossible for me to lie in a comfortable position at night. The trouble was caused by the weak condition of my kidneys. At times the secretions passed too freely and again they were scanty and continued mush sediment. Doan's Pills cured me and I haven't had any return of the trouble."
