THE AMERICAN PRESS ASSOCIATION

IN ORDER FOR KENT county to keep pace with the other counties composing the Del-Mar-Va Association, it is necessary that a Kent County Chamber of Commerce be formed and there is no time to lose. Efforts of the parent association are bringing results, inquiries are pouring in from people who are interested in the penisula. To date there is no county organization in the county to see that Kent gets its share of the benefits derived but a committee is working on the formation of a Kent County Chamber of Commerce and letters to this effect will be sent to every tax payer in the county and we hope our taxpayers will study these letters, see the need of such an organization and attend the general meeting to be held shortly.

THE Stars and Stripes, so dear to the hearts of all American People can not be treated with too much respect and honor at anytime but especially on national holidays such as Memorial Day, Fourth of July, etc. Last Monday when the American Legion marched to Chester cemetery to decorate the graves of those who lost their lives during the late war, it was noticeable how few onlookers bared their heads or in any way saluted the colors as they passed. This was due, no doubt, to thoughtlessness or ignorance of proper salutation. Are the schools and colleges of Maryland spending enough time in instruction along this line, are they neglecting the important subject of patriotism at a time when it is mostly needed when isms are becoming more and more to be reckoned with in this country. Let there be more Patriotic Orders, D. A. R. etc to educate the American People along the lines of patriotism, and let the schools and colleges beware of the rush of business education crowding out completely the educating of our youth in American ideals.
