COMMENCEMENT WEEK has gone and Chestertown will miss the bright youthful faces of boy and girl students who helped to enliven the streets of Chestertown going to and fro from College and School. The country lads and lassess, with their modern dress and intelligent faces show that the country bumpkin and clodhopper are things of the past. The city boy and girl can no longer be discerned among us in that respect. Parcel Post, Rural Delivery, the Telephone, the Radio and the Auto keep the rural community in touch with what is going on in the world. The Cooperative School system is increasing fellowship spirit among us. A Betterton student leads at College this year. A very large number of the high school graduates here are from the country and small towns around Kent. A Fairlee girl has won the story contest which makes Kent Co., glad of that honor, and a Rock Hall School girl was successful in the County Declamation Contest. Unto all of the success in their future life and hoping that they may find their home, the Eastern Shore, such a pleasant and profitable place to live that they may not follow the crowd who rush to the cities.

Let us have some new pavements. In spite of the many cars, there are a few pedestrians left in Chestertown who wend their way day after day over rugged pavements in many parts of the town. A little boy, who was walking over them recently, certainly spoke the truth when he lisped, "The pavements are so rumpled." Some of them are so rumpled that it is bad enough walking over them in fair weather, but when the rain and slush come, one actually longs for web feet.

In Easton they have a tax rate of $1.00, an increase of 10 cents on the $100. Ours is 75 cents.

—The Rock Hall Progrossive Association are planning to have a big day in Rock Hall on July 5th. Further details of the event will appear next week. Thre is some talk of this association staging a carnival in August.

Yes, money is to business what the motor is to the automobile. In other words it is the heart beat that keeps the world alive and active at all times.

We, as bankers, know the power of money as well as its abuses. Know, too, the great good it has accomplished in promoting civilization. Should you at any time need assistance in matters financial, kindly consult with any of our officers. They shall be pleased at all times to give you the benefit of their varied experience.

CHINESE EGGS

For thousands of years the Chinese have preserved eggs, based somewhat on the same principle. They pack their eggs in clay which keeps the air from entering. Chinese egs are sometimes kept 200 years, yet one could not call them exactly fresh for a coagulation takes place that darkens the egg and makes it the consistency of hard boiled. Such an egg, however, still has a fine flavor, they say.

TOBACCO PRODUCTS

During the past year there were $1,700,000,000 in tobacco product sales. That is an average of $70 per family.
