CHESTERTOWN BOYS WIN

Chestertown defeated Massey in ons of the most interesting baseball games of the season. Massey scored five runs at the start which was only overcome by two battery rallies by the locals. Edward Blackway took the mound for the locals in the second inning and held the Massey team to two runs, Blackway, an old-timer at the game, was at his best, and his timely batting and steady hurling was largely responsible for victory for his team.

Groff pitched a good game for Massey, but two bad innings enabled the Chestertown team to score six runs, and the winning talley was scored in the ending of the ninth inning.

Efforts are being made to form a league comprising the teams of the county and Sudlersville, for the summer season.

ROCK HALL

A colored man, Raymond Warren, employed by Smith Brothers at their farm near Rees Corner, was run down Saturday night by a car in the eastern end of Rock Hall. He was picked up by someone who placed him inside of the Smith's road gate where he lay in the cold with a broken thigh and other painful bruises until found in the morning by Mr. Adam Smith who heard his groans and calls.

Mrs. Frank Bunch and little Billie of Stevensville, were guests of Mr. and Mrs. Orin Downey from Sunday to Tuesday. Mrs. Bunch was accompanied to Rock Hall by her sister, Mrs. Joseph Appel and husband, of Baltimore, who had been her guests for some time.

Mrs. Charles Parsons was quite sick Monday night with heart trouble.

Capt. and Mrs. Hillry Akers are parents of a fine little son who arrived Friday.

Mrs. Agnes Ashley has been ill of heart trouble for some days.

Mrs. Edwin Raines and little Bobby Orem, are visiting in Baltimore at State Sanatorium.

Mrs. Edward Bratt and children have returned from a stay of several weeks at Centreville.

Mr. and Mrs. Charles D. Leedy, of Brooklyn, Mass., are spending the summer at Rock Hall. The former's mother, of Baltimore, who is visiting in New York, will come in about two weeks and spend the summer at her home in Gratitude.

Mrs. Nelson Thomas and baby, Clyde, spent last week with her parents-in-law, Capt. and Mrs. Charles Thomas and accompanied home her husband and his brother, Walter who came for Sunday.

Representative Charles N. Spence, of Secretary, Md., is guest of Capt. and Mrs. Charles R. Kerr.

Mr. and Mrs. T. N. Culley entertained Sunday their children from Galena, Mr. and Mrs. Clinton Guthrie. Miss Grace Culley is at home for the vacation months.

PLANTING

A seed company received from one man fifteen applications for free samples of their pea seeds, and when the sixteenth request arrived the manager decided it was time he did something.

"Dear Sir: I am sending you the seeds as requested; but what are you doing with so much? Are you planting your whole suburb with peas?"

A few days later he received a reply:

"No," it ran, "I am not planting them at all. My wife uses them for soup."—

Owing to unfinished business on the Farm Bill, Congress will not adjourne on the 30th of June, the date set for the adjournment.

That was a red-letter day for me!

THE day I discovered the tidy red tin was a red-letter day for me. Up until that time, I was fairly well satisfied with my smoking tobacco. At the suggestion of a friend, I tried a pipe-load of his Prince Albert. More to please him than for any other reason.

Little did I realize then what a big favor he was doing me. I'll never forget that experience. Here I was, a seasoned smoker (as I thought), learning something new about tobacco. Why, that very first taste won me. Still, I wasn't hasty. I tried another load to be certain.

That settled it. I bought a tidy red tin of P. A. right then and there. That was a good many years ago, but P. A. is still ministering to my smoke-taste, repeating my early experience many times a day. P. A. is so cool and sweet and fragrant, you just never tire of it.

No matter how hard you hit it up, P. A. never backfires. It is uniformly mild and mellow. Never bothers your throat or tongue. It is so genuinely friendly that you just go to it from morning to midnight. Cool contentment in every perfect puff. Get some P. A. today.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
