The above statement is correct as per books.

JOHN MEDDERS, Clerk

We have this 12th day of June in the year 1926 (nineteen hundred and twenty-six) examined the aforegoing statement and find it correct, and have ordered it published in the Kent News, Chestertown Transcript, and The Enterprise.

Attest: In witness whereof we sign our names as County Commissioners of Kent County and affix the Seal thereto.

JESSE H. USILTON,
T. RINGGOLD JONES,
S. J. JOHNSON,
Commissioners of Kent County, Md.

STATE OF MD., KENT CO., SCT.:

I hereby certify that the within statement of expenses for Kent County is correct as per books of County Commisioners' Office for fiscal year ending June 5th, 1926, (nineteen hundred and twenty-six.)

In testimony whereof I hereby subscribe my name and affix the Seal of the County Commissioners of Kent County this 12th day of June A. D., 1926.

JOHN MEDDERS,
Clerk to the County Commissioners.

Dr. T. Howard Fowler, of Wells College, Aurora, N. Y., s spending the vacation period with his sisters here.

VEST POCKET ESSAY ON KNEES

The editor of a certain daily newspaper opines that "nothing as ugly as a knee can be very naughty." This ink slinger, for once, may be right, but it must be admitted that while a pig's knuckle may not be naughty it is awfuly nice—especially when cooked with cabbage that has reached the age of respectability in a kraut barrel. It is undoubtedly true that Dame Nature did not anticipate "rolltops" when she decided on the style of architecture for knees. However, since the advent of this new fad in stockings, it is apparent to a casual observer that if the "finger prints" of all knees were taken, no two pairs would be found alike. In fact, it is evident that in but few cases would the pair exhibited by anyone owner prove to be mates. In many instances the use of some effective anti-knock device appears to be indicated, while in other cases the pair must be entire strangers, for they never meet. To the man who has reached the age where he begins to consider reforming it appears that the chief function of knees is to harbor the pangs of rhematism.

In the swine world, one will find a symmetry of knees which the human race cannot boast of, yet its matrons and flappers do not employ the Scottish system of ventilation. In fact, propriety forbids that they sport 'em bare. While on this subject we must realize that there will be a scarcity of pig knuckles this fall. Not only is there a shortage of hogs, but reports from various parts of the country indicate that hog cholera is taking its annual toll. While Maryland has experienced but little of the disease this year, the time is fast approaching when swine raisers must be on the alert to protect their hogs from its ravages.

KENNEDYVILLE

Mrs. Minta Weer and Miss Anna Weer, of Baltimore, spent Saturday with Mr. and Mrs. James Weer.

Mr. Hartley Wiltbanks, of New York is visiting his mother who is quite ill at this time.
