### PERSONAL OF THE REGULAR ORGANIZATION TICKET

(Continued from our last issue.)

ROBERT A. SHALLCROSS, candidate for Clerk of the Circuit Court is a resident of the Fifth Election District. Mr. Shallcross represented this county in the Maryland House of Delegates some years ago, since which time he has been engaged in business in and around Rock Hall. A few years ago he established the Shallcross truck freight line between Rock Hall and Chestertown which service he later extended to several other towns in Queen Anne county. Mr. Shallcoss is a man of a keen mind and broad vision and if nominated and elected will, we are sure, give to the public efficient service.

SAMUEL G. CALDWELL, is the present Register of Will of this county, and is a candidate to succeed himself which office he has held for the past six years. The affiairs of this office have been most satisfactorially and successfully managed under Mr. Caldwell's direction He is a resident of Galena, in the First Election District, and is one of the best known men in this county. Mr. Caldwell has been operating a sales stable at Galena for many years where he has disposed of thousands of dollars worth of farmers surplus stock, implements, etc., at great advantage for the owners. Mr. Caldwell's efficiency in the conduct of the office of Register of Wills should commend him for re-election.

ROBERT MOFFETT, of Chestertown, is a candidate for County Treasurer. He was raised in the upper section of this county and was for a number of years a farmer. Leaving the farm he came to Chestertown where he successfully conducted a meat market until a few years ago when he was succeeded by his son. After retiring from the market he engaged in the fertilizer business in which business he is still engaged. He has served his party for the past several years as a member of the County Central Committee of which committee he is still a member. He is asking his fellow Democrats of this county to vote for him for the office of County Treasurer at the September primaries.

—An automobile race has been started in the Sunday School at Bond Chapel. Miss Jene Hendrickson has been selected as one chauffeur and Mr. George De Ford will operate the other car. Miss Hendrickson has named her car Aberson Jack Rabbit, Mr. De Ford has named his racer Stuz Bear Cat. All persons desiring to enter the race will report at Bond [illegible] at 10.00 a. m., July 4th.

TOMORROW IS THE 150th anniversary of our nation, such a glorious birthday as it was! When we visit the State-House in Philadelphia and look at that old decument, The Declaration of Independence, yellowed by age and when we read the names of those that signed it and realize that each one, in putting his name to it, was considered a traitor by England and would lose his life if captured, we truly fell that they were "Such stuff as heroes are made of" Charles Carrolls, of Carrollton's name stands out among them. When signing the name some one laughed and said, "Well there are so many Charles Carrolls" he immediately wrote "of Carrollton" so there would be no mistake. And Jefferson, the one who wrote that noble document, so full of thought and wisdom and who with his old collague John Adams died on the same day, the 4th of July 1826, should be remembered in honoring this day. Our nation has grown strong and great. But are our citizens as patriotic and liberty loving as they were in those early days of the Republic! Are we as God fearing and law abiding as we should be? Are we striving to be a bulwark to our nation, strong and brave and true? If so we can remember those old heroes, and say. We are keeping faith with you in doing all we can to make our Union strong and great and repeat.

"Sail on, sail on O Ship of State.
Sail on O Union strong and great:
Sail on, nor fear to breast the sea.
Our hearts, our hopes, our prayers, our tears,
Our faith triumphant o'er our fears,
Are all with thee—Are all with thee.'

—The twenty-third annaul convention of the Maryland Rural Letter Carriers' Association and Organization of the Ladies' Auxiliary will be held in Wm. Smith Hall, at Washington College, Monday and Tuesday, July 5 and 6, 1926. An interesting and instructive programme has been arranged by those having the matter in charge.

## "GOLDEN GATE" WIDE OPEN.

For the first time in history a fleet of warships has steamed out of San Francisco harbor over the bar. The Pacific fleet yesterday on emerging from the Golden Gate turned neither to the right nor the left, but sailed straight out westward through a channel 2,000 feet wide, 8,000 feet long and 40 feet deep.

After two years' work the main ship channel has been dredged through the bar and large battleships will no longer be required to make the difficult passage through the Bonita channel, requiring almost a right-angle turn northward through a passage but 800 feet wide adjoining the rock-bound Marin shore.

The Culebra, originally used in digging the Panama Canal, was purchased by the War Department for $250,000 in the fall of 1923 on the Atlantic Coast, brought to San Francisco and remodeled for a similar sum. It operates twenty-four hours a day six days a week and would have completed dredging the bar a year ago had it not been sent twice to Gray's Harbor for emergency work. San Francisco Chronicle.
