TOLCHESTER NOTES

Five men from Middle River whose names were not learned, attempted to land their small boat at Dawson's wharf, a short distance below Tolchester Beach on Sunday morning. The high seas, resulting from Saturday night's heavy storm, tossed the craft against the dock breaking the rudder. The men beached the boat and worked all day but had to return to Baltimore by steamer leaving the repairs to be completed this week end.

Summer residents of the Lusby bungalows are bemoaning the report that the bungalows will be removed from their attractive site at the end of this season to make way for a promenade planned by the new owners of the property. Among Baltimoreans spending the season in the bungalow colony are the Ketchems, Wheatleys, Donahues, De Veds and Mrs. William Ashley.

The bungalows on the other side of the state road are occupied by their owners and guests among whom are: Mr. and Mrs. A. L. Sanders, Mrs. George Reese and son, George Jr., Miss Hazel and Mr. Marshall Hare, Mr. and Mrs. R. H. Lewis and son Norris all of Baltimore, and Miss Ruth Hauver, of Frederick.

A very delightful house-party is being enoyed at one of the Lusby bungalows at the beach this week. The members of the party are: Mrs. Howard Newnam, Mrs. Bates Chairs, Mrs. Barber Bartley, Mrs. Roy Barnett and the Misses Dorothy Woodall, Susie Smith, Enna Baxter, Anna Coleman and Emily Lusby all of Chestertown.

It is estimated that 7000 people visited Tolchester last Sunday.

MILES RIVER REGATTA

Eastern Shoremen and especially members of the Miles River Yacht Club and residents of Easton, Md., are elated because of the honor brought to the Del-Mar-Va Peninsula last week, when the racing power boat of William McP. Bigelow, of Easton, "Palm Beach Days," won both runabout events, the 625 Class and the "Free For All" at the Mississippi Valley Power Boat Association's regatta held at Rose Island, Louisville, Kentucky, one of the early national meets.

Many new entries are being received for the events which will make up the fine program to be carried out by the Miles River Yacht Club, at St. Michaels, August 5, 6 and 7. The Sir Thomas Lipton Challenge Trophy to be raced for by the Star Class boats is proving a decided attraction throughout the entire country. This event, while under auspices and direction of the Chesapeake Bay Yacht Club is being staged by the Miles River Club this year as the Chesapeake Bay Club will not hold a regatta. It is an event of national interest and will undoubtedly draw a large entry. The Chester River Yacht Club will attend this Regatta.

You can always count on P.A.

THERE'S something very solid and substantial about Prince Albert. Dependable . . . as a good friend *should* be. Uniformly mild and mellow. It always tastes the same—which means that it always tastes great! The reason for all this is the excellent *quality* of the tobacco.

Prince Albert quality has made this one brand the most popular among pipe-lovers; has earned for it the title of the National Joy Smoke. Get yourself a tidy red tin of P. A. today at the nearest P. A.-sunshine shop and know for yourself what a grand and glorious smoke it is.

The very first pull will tell you that Prince Albert was *made* for you. Cool, as a breeze off the water is cool. Sweet, with the uncloying sweetness of sun-ripened fruit. Fragrant, as flowers are fragrant. Fragrant in the tin and fragrant in the bowl of your pipe.

Men who thought they were all set on smokes have tried Prince Albert and become converts from the very first puff. There's a bare possibility that you have been fooling yourself. The pleasure you'll get from a jimmy-pipe and P. A. will top any you *think* you're getting now!

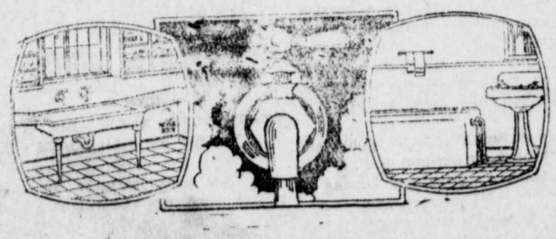

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.
