All that's best in a cigarette

AFTER glorious exercise nothing is so refreshing as the fragrant smoke of a Camel. Wherever Camels go—to the seashore, to the mountains, to the office—they bring pleasure, full smoking enjoyment.

No other cigarette made ever gladdened the taste of so many millions, for Camels are made of the choicest tobaccos grown. Camels alone satisfy the taste for all that's best in a cigarette, for Camel blending can be found nowhere else at any price. Camels never tire the taste, never leave a cigaretty after-taste.

Camel leadership over all other cigarettes shows that the smokers of America want smoking quality. Camel success is built up on goodness, by the world's largest tobacco organization. Each year the makers of Camels spend millions for quality, and not one cent for frills or fancy wrappings.

No two ways about it, Camels are the finest pleasure, the richest contentment that ever came from a cigarette. If you haven't yet found the utmost in cigarette goodness, answer the most popular smoke invitation ever sounded—

Have a Camel!
