Cut Your Fuel Bill

"Our fuel bill was entirely too high so we bought a Nesco Oil Cook Stove. Since then our fuel bills have been cut in half."

That's what one owner wrote about her Nesco, **because one gallon of oil will supply one burner for twenty-five hours.** A few cents a day is all it costs to prepare three meals. Uses kerosene—but burns gas.

IN MEMORIAM

In loving memory of our dear Mother, Henrietta Voshell, who departed from us July 14, 1926:

Down deep in our hearts, there's a picture,
Of a loved one gone to rest;
In Memory's frame we have kept it,
Because she was one of the best.

God God saw when her footsteps faltered,
When her feet grew weak and faint;
He knew when her strength was failing,
And listened for complaint.

He gave her rest for the reason
That her pathway was growing too steep,
He folded her in green pastures,
And gave our mother sweet sleep.

Still sadly missed by her children.

—Mr. Lecoumpt was overcome by heat while threshing wheat at Mr. Arthur Loller's Thuresday of this week.
