HAVE A CAMEL

"Camels"—the word of an experienced smoker

MILLIONS who've tried them all, who could well afford to pay a higher price, become wedded to Camels. Each year Camel wins the favor of a growing army of experienced smokers.

Camel leads because of Camel quality. No other cigarette made can match Camel goodness. Camel is made of the choicest Turkish and Domestic tobaccos grown, masterfully blended as in no other cigarette to give you all of their mild and mellow flavors.

In all tobacco time there has never been such a favorite as Camel, for Camel goodness has no equal. For sheer quality of tobaccos, for deep-down smoking enjoyment, for favor with smokers, Camel stands alone, supreme among cigarettes.

Camel is the world's favorite because Camel pleasure never palls. You simply can't smoke enough of them to tire your taste. No one ever smoked a Camel and regretted it. Camels never leave a cigaretty after-taste.

We believe that your first *real* smoking pleasure will come when you taste the smoke from the finest tobaccos nature produces. The world's largest tobacco organization invites you to try now the favorite of millions of experienced smokers.

Have a Camel!

A meeting of the W. C. T. Union was held on Tuesday evening at the home of the President, Mrs. Emma Shafer and daughter. This meeting was opened with Prayer and Scripture reading. The following officers were elected. President, Mrs. Emma Shafer; Vice President, Mrs. James Archibald; Treasurer, Mrs. E. L. Redmile; Secretary, Mrs. E. T. Othoson. It was decided to hold the Temperance Meetings at the church, quarterly on the last Sabbath Evening in place of the C. E. service and then followed with Temperance Sermon by the pastor. This meeting was well attended and each one present seemed to feel the necessity of doing greater work for this great Temperance cause. All members and friends in the community are asked to co-operate. The members expressed sympathy for the family and relatives at the passing away of Mrs. Emma Jarrell. The President, Mrs. Shafer expressed tender appreciation of her long and faithful service in the work of this organization.

JAS. G. BECK,

Trucks too feel the difference

New lubricating oil shows gas saving of 17.9%

HUNDREDS of road tests on many types of cars and trucks prove that the new "Standard" Motor Oil gives astounding results.

A 2½ ton Mack truck, for instance, run 1,572 miles from September 24th to October 22d, 1925, showed 22.8% increase in oil mileage; 17.9% increase in gas mileage; smoother operation at all speeds; no carbon accumulation; better all 'round lubrication.

These results can be verified in your own car. Just get your crank-case filled at a "Standard" Service Station or dealer. Then expect results. *You can actually feel the difference.*

STANDARD OIL COMPANY
(New Jersey)

7 Advantages of "Standard" Motor Oil

1. Constant lubrication.
2. Minimum friction.
3. Less "breaking-down" under load or at high speeds.
4. More miles per quart of oil.
5. Better hill climbing—smoother operation.
6. Negligible carbon.
7. Actual saving in gasoline.
