MONDAYS AND TUESDAYS

maybe you've been missing something

SOME chaps are satisfied with their home-made radio set . . . *until* they hear a bigger and better set at their neighbor's. It's much the same with tobacco. You may *think* your present brand is the last word. But, until you smoke Prince Albert, you don't know how good that pipe *can* taste!

Among the biggest boosters this grand old tobacco has are the converts who figured: "Maybe I'm *not* getting all my pipe can give me in deep-down smoke-satisfaction. I'm going to try P. A." They *did* try Prince Albert and they've *stuck*. Tear a leaf out of their book.

No other tobacco is like Prince Albert. Buy a tidy red tin, throw back the hinged lid and breathe deeply of its wonderful fragrance. That's real tobacco! Cool when you smoke it . . . cool and sweet and fragrant as the breeze from an old-fashioned garden.

Why be satisfied with less than perfection! Go now to that nearby smoke-shop and get a tidy red tin of P. A.—the tobacco that has brought pleasure to so many men that it is known as the National Joy Smoke. Load up and light up. Your face will light up with the smile that P. A. regulars know so well.

P. A. *is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.*
