OIL COOK STOVE

Cut Your Fuel Bill

"Our fuel bill was entirely too high so we bought a Nesco Oil Cook Stove. Since then our fuel bills have been cut in half."

That's what one owner wrote about her Nesco, **because one gallon of oil will supply one burner for twenty-five hours.** A few cents a day is all it costs to prepare three **meals. Uses kerosene–but burns gas.**

You really cannot afford to deny yourself the economy and pleasure this stove will bring to you.

WE MAY HAVE HOSPITAL HERE

The Jarrell property, situated on the Northeast corner of Queen street and Maple avenue, was purchased Tuesday by Dr. H. P. Copeland. The price paid for the property was $5150. This property may be used as a hospital in the near future. The house is most suitable for a hospital, having 16 rooms, with a bath on each floor. Three large rooms on the first floor will make splendid wards.

Dr. Copeland stated to the Transcript that the people of this community could use the building for a hospital if they would get behind the movement. Although on several previous occasions there has been talk of a hospital in Chestertown, this is the first definite step that has been taken toward that end.
