ELSIE BAKER, Contralto
GROVER TILDEN DAVIS, Composer-Pianist

Elsie Baker, nationally famous concert contralto and Victor record artist, assisted by Grover Tilden Baker, accomplished composer-pianist, in a full evening's program. Superb artistry magnified by the charm of magnetic personalities.

Few, indeed, who have never heard of this noted singer. Many will declare this concert alone worth the price of a season ticket. She sings the kind of songs everybody delights in hearing. Such as "In the Garden," Annie Laurie," "Love's Old Sweet Song," Flower Song from Faust, Lullaby from Erminie, "In the Afterglow," and many others. The "high spot" in the week's music.

Certainly—They are Water-Cured

The Water-Cured Process delivers its pressure evenly over the entire surface of the tube and insures a perfect cure. It retains all the tough, live quality of the rubber. And the rubber used in

United States Tubes

is of superior quality. It is the celebrated U. S. Sprayed Rubber free from acid, smoke and other impurities—the toughest, most uniform rubber known.

United States Tubes age well. If punctured, the injury does not spread and vulcanized repairs are permanent.

When you buy a United States Tube made of Sprayed Rubber by the Water-Cured Process, you buy a tube that is made of the finest materials under ideal conditions in the largest and best equipped tube factory in the world.

It will add miles to the life of your casing.

United States Royal Tubes, Grey Tubes and Usco Tubes will give the same long, satisfactory service you get from United States Tires.
