THE PRIMARY CONTEST

The Primary Campaign which is going on in the counties throughout this state has a little over two weeks before the result will be known. The nominations for the State ticket is a foregone conclusion as there are no opposing candidates except for Governor, the candidates for this high office being Governor Reitchie and Mr. Maloy. There seems to be but little or no doubt as to the result between these two candidates, the Governor by far being the choice at this time.

The county primaries are being waged with considerable force and from all reports that come to our office the Copper ticket is making decided gains throughout the county. We hear many former opponents of the Senator say that "he is entitled to another term in the State Senate; that his record is clean and his services to the County and State justify his return to the State Senate." We do not believe that any one can with proper credit to themselves deny the above statement. We believe the people of this county are convinced that it will be to the best interests of our county to return Senator Copper to Annapolis and we confidently look forward to his being nominated at the primaries on September 14. It should not be overlooked, however, that in order to get the best results for the best good to our county it is necessary to send with the Senator his running mates for the House of Delegates, Messrs. Ellsworth C. Bowers and Jefferson D. Ayres. Much more can be accomplished in having the delegates to the lower House in harmony with the Senator than in having them antagonistic to him. It will be remembered that in the last session of the Maryland Legislature Mr. Kerr, of Rock Hall, who is a candidate to succeed himself in the present primaries was the only Delegate from the Nine Eastern Shore Counties who voted for the Tony Dimarco Sunday Moving Picture bill, which bill was to legalize Sunday Moving Picture shows in Baltimore City. This statement can be confirmed by reference to the House Journal on page 1162 of the session of 1924.

CANDIDATE FOR SHERIFF

At the request of a number of friends I hereby announce myself as a candidate for Sheriff of Kent County, subject to the Democratic Primaries in September.

CHARLES L. GILL.

BETTERTON

The Cecil County Farmers Club, about fifty members, held their annual meeting with dinner at the Rigbie last Tuesday.

On Tuesday of this week the Christian Endeavor Society of the M. P. Church of Kennedyville and the Epworth League of the M. E. Church, of Chestertown, held picnics here, but owing to the rain only a few members of either society came.

Various churches in the community have attempted to hold bazaars here on Saturday evenings but the rains have interferred with them all. The Methodist Church will make a second attempt this evening.

Rev. C. W. Clark and daughter are spending their vacation with Mr. Clark's parents in North Carolina. The pulpit will be filled this week by Rev. Otis Jefferson, of Crumpton, and on the following Sunday by Rev. Mr. Derrickson, of Odessa.

Dr. Walter Stone assisted in officiating at the wedding of his niece, the daughter of Dr. Stone in Baltimore on Saturday.

Miss Dolly Crew and Miss Hallye Crew are spending some time with Mrs. Ernest Horsey, their sister.

Mr. Edward Smith was injuried at the ice plant on Monday by a three hundred pound block of ice falling on his foot.

Mrs. Littleton Crew, Sr., has been suffering from an infected wound on her lip but is improving now.

—Kent has the first case of a sheep killing dog having been tried, found guilty and executed. The result of the affair is that the County Commissioners must pay for the loss of sheep killed out of the dog tax fund, while the tax-payers must pay for the arrest of a worthless dog and the costs of the trial held before the sheriff. So far as the records show this is the first instance on record in which a dog has ever been a prisoner in the county jail.
