NOT JUST TODAY

By DOUGLAS MALLOCH

NOT just today I wish you joy,
And happiness, and cheer,
But on the next day, and the next,
And so through all the year.
For life is long, the road is far,
And many little bumps there are,
And yet I hope a silver thread
Runs all through all the days ahead.

Not just today I hope that friends
Will gather 'round your fire,
But all the year I wish you love
And all that you desire.
May every little walk you take
Meet merry hearts, and hands to shake,
And friends to greet you now and then
At night when you come home again.

Not just today I wish you peace,
And certainty, and song:
I wish you all a friend can wish
Today and all along.
Let New Year's day remind us of
The folks around us we can love,
Of things to do, and things to say,
Through all the year—not just today.

WHEN I WAS TWENTY-ONE

BY JOSEPH KAYE

At Twenty-one: "Ding," the Celebrated Cartoonist, Studied to Be a Doctor.

"THE less said about my position and aspirations at the age of twenty-one the better. I can't remember anything inspiring in that period about my ambitions. I was then aiming to become a doctor. I think it was my twenty-first year that I began reporting on a newspaper in order to make enough money to continue my medical course, and a strange turn of the wheel of fortune after I landed in the newspaper office, switched me over into another current and I never have gotten back."—"J. N. Ding (J. N. Darling)."

TODAY: Jay Norwood Darling is one of the most human of all political cartoonists in the country. He draws daily cartoons for a syndicate of newspapers and cartoons for other publications and through these amusing pen-and-ink creations he has influenced political movements in no small way. The distinctive quality about "Ding's" work is that it is independent. He has his own opinions and he expresses them, irrespective of which political side the newspaper he serves favors.

Darling is forty-eight years old.

Babies Finger-Printed

At Pellstown, Ireland, it has become necessary to fingerprint babies under three months of age when they are discharged from the maternity hospital there. Such a scheme is designed to help the police to discover the mother or foster mother of the deserted child. The idea was suggested by a woman barrister who became interested in babies.

INSTRUCTIONS TO VOTERS

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, in the square provided thereof, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate square a cross-mark (X) after the answer you desire to give. You should be careful to make no mark on the ballot other than the cross-marks within the squares.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted. You must prepare and dsposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can any voter occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his or her ballot must make affidavit to that effect, if he or she desires assistance. The two polling clerks, after such affidavit has been made, can accompany him or her into one of the compartments and there mark his or her ballot as he or she instructs them, marking only the names of the candidates whom he or she shall name. The clerks are not allowed to read the ballot to him or her.

7. Any voter who shall allow his or her ballot to be seen by any person with the apparent intention of letting it be known how he or she is about to vote; or who shall place any distinguishing mark upon his or her ballot, or who shall make a false statement as to his or her inability to mark his or her ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his or her ballot, or who shall endeavor to induce any voter before voting to show how he or she marks or has marked his or her ballot, shall be punished by a fine of not less than ($5.00) dollars nor more than one hundred ($100.00) dollars, or by imprisonment in jail for a period not exceeding sixty (60) days, or by both fine and imprisonment, in the discretion of the Court.
