In school or out... youth demands *style*

Some youth very dear to you is about to enter a new world. It may be the girl or boy who first proudly crosses the portals of high-school: it may be the new college man or woman, or perhaps the college graduate ready to share the burden of the world's work.

In any case, only one gift will suffice. For time has wisely approved the giving of a watch both to commemorate and make more efficient these all-important days.

Be sure, however, that the movement you select is fitted in a modern case, for youth and style go ever hand in hand. Our showing includes the newest creations by Wadsworth—the acknowledged style leaders in the dress of fine watches.

PREPARING FOR BIG PARADE

FIREMEN EXPECT TO MAKE EVENT ONE OF MOST SPECTACULAR ON HISTORY OF COUNTY

The Firemen's Parade Committee is making big preparations to make this one of the largest and most beautiful spectacular features ever presented in Kent County.

To do this requires money, hence collectors for this expense will be out during the coming week to solicit contributions.

We feel this part of everyones duty, the same as it is the duty of the Firemen to respond as quickly as possible when called upon, so if any are missed and not called upon in person, do not feel hurt; you have the mail carrier and also check books and all remittances can be sent to the Chestertown Fire Co., Chestertown, Md.

The Newark Band, of 25 pieces of Newark, Del., has been engaged to led the parade. They will be followed by the school children of Kent County; 1500 special invitations will go forward to them and be distributed by their Teachers on September 13th, when they report for school. These invitations will be sent for those of the 5th, grade up, but others who are in lower grades but of large size are invited also and small children will be welcomed if accompanied by older persons.

The committee is making big preparations for the comfort and care of the children. They will be taken from the line at a point where they can view the parade themselves without being crowded or in the least discomforted.

No children will be allowed torches, but they will have flags, fancy hats and caps, fancy umbrellas and Japanese Lanterns, all persons in line will be cautioned to use the utmost care and lookout especially for small children.

Special committees throughout the County have been formed to call on you during the coming week to help defray part of the expense. One former resident has just sent $4.00 for the cause, his home is in Florida and he is well known.

So far 16 Companies have accepted invitations to be present; those having bands will bring them along. We will have plenty of music.

It is expected from 1500 to 2000 will be in the parade, so let this be taken as a summons for every Kent County Citizen to be on hand September 16th, and to not only take part financially but press yourself in service to a good cause.
