FOR CONGRESS

T. ALAN GOLDSBOROUGH, MEMBER OF CONGRESS
AND
CANDIDATE FOR RE-NOMINATION

The Easton Star-Democrat wrote the Honorable Finis J. Garrett, minority leader of the House of Representatives, the Honorable John N. Garner, a member of Congress for 24 years, senior Democrat on the Ways and Means Committee and principal author of the 1923 tax reduction law, and Honorable Cordell Hull, one of the leading authorities in the legislative bodies of the world on tariff and economic questions, asking their estimate of Mr. Goldsborough's standing and service in Congress. The following replies were received:

FINIS J. GARRETT

The Easton Star Democrat
Easton, Md.

Gentlemen:

I am in receipt of your favor stating that you would appreciate my estimate of the standing and service in Congress of the Hon. T. Alan Goldsborough, representative from the first Maryland District.

It is a pleasure to reply to this letter. Mr. Goldsborough, although his service has been comparatively brief, stands very high in the estimation of the members of Congress. He is a member of the very important committee on Banking and Currency, and in this work has rendered most valuable services to the country. Mr. Goldsborough is thoroughly grounded in the fundamental principles of government; he has a most excellent mind and is assiduous in his labor and study; he is a credit to the District and a help to the Nation.

Very respectfully yours,
Finis J. Garrett

Gentlemen:

Your letter of August 6, stating that you would appreciate my estimate of the standing and service in Congress of the Hon. T. Alan Goldsborough, just received.

I take pleasure in saying that Mr. Goldsborough is one of the ablest and most efficient members of Congress, either Republican or Democrat. He is attentive to the office, painstaking and studious. He usually exhausts any subject he undertakes to investigate, and the information he gives to the House on the subject is complete.

I have learned to admire his philosophy of government, and have great confidence in his judgment. In my opinion he is a valuable man in the House of Representatives.

With kindest wishes, I am

Very cordially yours,
Jno. N. Garner

COMMITTEE ON WAYS AND MEANS
HOUSE OF REPRESENTATIVES
WASHINGTON, D. C.

Carthage, Tenn., Aug. 16, 1926.

Editor Easton Star Democrat,
Easton, Maryland.

Dear Sir:-

Answering your letter of 6th inst., to hand in my absence, requesting my estimate of the standing and service in Congress of Hon. T. Alan Goldsborough, of the First Maryland District, I would say that I have had occasion to observe the record of service of Mr. Goldsborough since his entrance in Congress. From the outset he began to attract the attention of the leading members of the House. The fact that Mr. Goldsborough for sometime has been a member of the great Committee on Banking and Currency offers the best evidence of the remarkable progress he has made and of the high estimate placed upon his worth and service by the membership of the House. But a small percentage of the ablest and oldest members of the House succeed in securing the high Committee rank which Mr. Goldsborough for sometime has held. I consider him among the ablest and most useful members of the National House of Representatives. It is most gratifying to be able to testify to Mr. Goldsborough's uniform record of loyalty to the best interest of every class of persons and of legitimate business.

Very sincerely.
CB/AS
Cordell Hull

THE CARNIVAL A SUCCESS

The Rock Hall Carnival, which ended the night of September 1 after an extension of several days in order to make up for the losses sustained on account of heavy rains the opening week, was a huge success. It was held under the auspices of the Rock Hall Progressive Association with the cooperation of the Town Council for the purpose of raising funds for a town water system. Saturday night and the following Wednesday night, when the Fireman's Parade was staged brought out the greatest crowds ever gathered together in Rock Hall. Prizes were awarded to the Denton Fire Department for the company coming the greatest distance and for having the largest number of men in line, while Chestertown won the prize for the best equipment. The Denton band was present in full force with a splendid showing. The ladies of the Rock Hall Progressive Association served a delicious supper to the firemen in the basement of the High School under the efficient supervision of Mrs. John Dowling. Mr. W. A. P. Strang, chairman of the entire carnival, was ably and faithfully assisted by a strong corps of co-workers. The Fordor Ford Sedan, which was given away on the last night of the Carnival, was awarded to a Miss Chance of Grasonville, Maryland.
