In school or out... youth demands *style*

Some youth very dear to you is about to enter a new world. It may be the girl or boy who first proudly crosses the portals of high-school: it may be the new college man or woman, or perhaps the college graduate ready to share the burden of the world's work.

In any case, only one gift will suffice. For time has wisely approved the giving of a watch both to commemorate and make more efficient these all-important days.

Be sure, however, that the movement you select is fitted in a modern case, for youth and style go ever hand in hand. Our showing includes the newest creations by Wadsworth—the acknowledged style leaders in the dress of fine watches.

BOLD ATTEMPT FRUSTRATED

At a late hour the other night, Postmaster John N. Bennett, of Chestertown, was aroused from his bed by occupants of two automobiles and he believes an attempt was made to lure him to the postoffice. These men acted in a very suspicious manner and claimed to have an important letter in the postoffice which they insisted they must have. The letter was addressed to a Mr. Wonder and was said to contain a pay check. The postmaster could see the occupants in the cars signalling to each other by the use of the headlights, and the attitude of the men on the front porch convinced the postmaster that he was an intended victim of a hold-up. He refused to comply with the request to go to the office and get the letter and told the men to drive on They disappeared out the avenue, but Mr. Bennett was able to see that the cars bore an Ohio state license and the occupants of both cars were white.

CARNIVAL PROFITS $2,280

The Rock Hall Carnival marked another distinct success for its promoters the Rock Hall Progressive Association. The profits amounting to $2280.00 are pledged to a fund for securing a public water supply for the town. The Association wishes to express its appreciation of the labors of the Carnival Committee working under and inspired by its chairman, W. A. P. Strang. No less credit is due the captains of the many booths and their willing and faithful assistants. The Association wishes particularly to thank the ladies who assisted and who gave so generously of their time and ability. All the workers from the management to store-keepers are entitled to full credit but the final success of the undertaking rested with the people of Rock Hall and neighboring towns who rallied to the cause so wholeheartedly that Rock Hall's first Carnival was a signal success financially and socially.
