KENT COUNTY, in fact the entire Eastern Shore is very much aroused and incensed over an article which appeared in the Baltimore Evening Sun, of October 4, written by H. L. Menchin in which he describes the people of this section as a homegenius illiterate, moonshine drinking mass that who, when not politicing are following a halfwitted Evangelist Cleric. He points out that the Eastern Shore is a detriment to Maryland and to Baltimore. We do not believe these acquainted with Menchen's writings give them serious thought therefore we do not consider it worth space to contradict these misstatements, but when such an article appears in the Baltimore Evening Sun, a paper heretofore much read and respected throughout the shore, we feel it is opening its columns to destructive journalism which will tend to increase antagonism between Baltimore and the Eastern Shore rather than heal whatever estrangemnt that may exist.

DEMOCRATIC CAMPAIGN

The Democratic State Campaign opened at Denton this week when Gov. Reitchie and the other State Candidates made addresses on the issues involved in this campaign. The Democratic platform is safe and sound and broad enough for any Democrat to stand on and to give his earnest support to. It is time for all political differences to cease and for all Democrts to get behind the state and local ticket that was nomtnated at the September primaries and elect it on November 2. There are always some sore spots after any fight, and this applies to primaries as well as to any other burning contest. At the primaries the voters are given the privilege of a choice of the candidates and if they are outvoted, we believe they should support the candidates who were chosen by a majority of the voters in the primaries. The names on the ticket at the head on our editorial column were the choice of the voters of this county, and we contend they are entilled to your vote on November 2. Had the candidates you voted for at the primaries been nominated you would have expected those opposing those candidates to vote for them on November 2, therefore it is only proper, in our judgment, for all Democrats to vote for the successful primary candidates on November 2, and we belive they will do so.

LITTLE JOURNEYS THROUGH THE EASTERN SHORE

We have before us a copy of the Kent county and Chestertown number of 'Little Journeys through the Eastern Shore.'

To Mrs. Nell C. Westcott was assigned the task of compeling the Chestertown and Kent County section of this number. She has gathered articles by Mrs. Harris, Mr. Polk T. Bramble the first on Fruit Growing and the other on The Poultry Industry. Both Mrs. Harris and Mr. Bramble are adepts in their special vocations. A article descriptive of Tolchester by Mr. Skirven and along the water ways of Kent by Mrs. Westcott add much to the interest of the Booklet.

Mrs. Westcott deserves much credit for making this edition so attractive.

SENATOR LAWRENCE B. TOWERS, of Caroline County has been named as the Republican candidate for congress to oppose Congressman T. Allen Goldsborough in this district.

DECLARATION OF PRINCIPLES

The following resolutions were adopted:

We, the representatives of the Republican party of Kent county, Md., in conventon duly assembled in Chestertown, Md., Sept. 25th, 1926, for the purpose of nominating a ticket to be voted on in the approaching November Election, do hereby subscribe to the following declaration of principles.

First of all, we believe that the paramount issue in this campaign to be law enforcement.

We therefore give our unqualified endorsement to the 18th Amendment and the Volstead Act. Since the passage of this law we as patriotic citizens of this great state have been made to feel most keenly the disgrace that has come to us as a result of the failure of officals both high and low who took a solemn oath to uphold the constitution, of both state and nation, but who have deliberately winked at the open violation of the law. Upon two occasions Gov. Ritchie has served notice upon the President of the U .S., that this law can not be enforced in Md. The logic of this statement is one of two things. First: that the U. S.G overnment is powerless to enforce its own laws, a position which no intelligent, self-respecting man can believe and admit. Second: that it shall not be enforced, which position is nothing short of anarchy. And all intelligent people of Kent Co., know that the attitude of our Governor has been reflected in the attitude of our local enforcement officers.

For even should we grant local officers are not obliged to enforce the Federal law, they surely are bound by their oath of office to enforce the State and County laws against the sale of intoxicants, which laws were not repealed by the passage of the 18th Amendment.

It is with shame that we have to confess that the bootlegger has been made to feel that he is immune to prosecution in Kent County.

In the second place: We give our hearty endorsement to the Corrupt Practice Act of the State. It is current report that at the recent primary election held on the 14th day of Sept. 1926, there was a wholesale purchase of the electorate in practically every precinct of this county.

And, we the Republican party of Kent County do hereby pledge the people of the county that we will not spend one dollar in the approaching general election for the purpose of corruption. We also assure the public that in nominating a ticket we have exercised special care that each candidate chosen is in perfect sympathy with this declaration of principles.

In the third place: We feel that men entrusted with the business of the levy court should by all means be men of property and large business experience. We pledge the tax payers that if our party be put in control of this branch of our county government there shall be an honest and economical management of our fiscal affairs.

In conclusion, in presenting these principles and in naming these candidates for the offices to be filled in the Nov. election, we make our appeal to all good thinking people of Kent County to put their conscience above their party, and help us redeem our beloved county from a condition which is deplorable beyond our power to describe.

ROBERT R. HILL, Treasurer.

GETTING UP NIGHTS

For Bladder Relief Is Nature's Danger Signal. Columbus Minister's Wife Relates Experence.

Rev. W. H. Mitchell, 824 No. Park St., Columbus, Ohio says: 'My wife was troubled seriously with bladder irritation until we used lithiated buchu (Keller Formula.) She would have to get up 6 to 8 times each night. Will gladly answer any letter."

Lithiated Buchu acts on the bladder as epsom salts on the bowels. Drives out foreign matter and decreases excessive acidity, thereby relieving irritation. The tablets cost 2c each at all drug stores. Keller Laboratory Mechaniesburg, Ohio, Locally at M. A. Toulson, Chestertown, Md.

motor car Performance

that startled the motor car industry

THE motor car industry was startled when Buick presented the new Buick with an engine *vibrationless beyond belief.*

If you have driven this great new car, with this remarkable engine, you know why.

Its fluid smoothness makes other motor cars seem rough, harsh, noisy.

People who have driven Buicks for years and people who have owned much more expensive cars, are captivated by the luxury of this one.
