WATER BOY TO OPERA TENOR

From water-boy to Opera and Concert singer marks the span of the career of Donato Colafemina, noted tenor, who is scheduled for a concert in Chestertown

TUESDAY EVENING, OCTOBER 19 at William Smith Hall, Washington College.

Twelve years ago Colafemina came from Italy and began his life in this country as water-boy on a western railroad. In the evenings, accompanied by the harmony of his countrymen's guitars and mandolins, he delighted his co-workers with Neapolitan songs and Venetian serenades. One of the officers of the railroad, attracted by the sweetness of the boy's voice, took him to the Chicago Conservatory of Music where, under the tutelege of Mme. Gertrude Grosscup Perkins he received his entire musical education

This gifted young singer enjoys the distinction of having sung in Grand Opera while in his teens. He also was the youngest soloist to sing under the baton of the noted Band-master John Philip Sousa, appearing in Carnegie Hall, New York; Fifth Regement Armory, Baltimore; Queen's Square, Toronto; Chicago, Ill., and other prominent cities in this country and Canada. He has won enthusiastic ovations from coast to coast, and our town is fortunate is having this opportunity to hear him.

What Is a Diuretic?

People Are Learning the Value of Occasional Use.

EVERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use *Doan's Pills*, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given *Doan's* signed recommendations. Scarcely a community but has its representation. *Ask your neighbor!*
