WASHINGTON EASILY BEATEN BY BLUE RIDGE—YALE BOWS TO BROWN—OTHER EVENTS OF INTEREST TO SPORT FANS

Blue Ridge College, looked upon as the one game on the Washington schedule which could be safely put in the "win column," sprang a big surprise on the Washington College eleven Saturday on the local field before a fair-sized crowd, and humbled them to the tune of 18-0. Blue Ridge College won because they worked the forward pass skillfully and consistently. They won because they were able to fool the Washington eleven at every turn. The fact is, that there handling of the aerial pass was about the best ever seen here. In almost every attempt they were successful, frequently for substantial gains which resulted immediately in touchdowns. On the other hand, Washington failed at almost everything. Their forward passes were either grabbed by Blue Ridge or else were grounded.

Coach Brown has worked hard to perfect this team into fightnig shape, and, in spite of a doleful lack of material, he seemed to be succeeding. In practice this team works well. They deliver and receive forward passes well, run through their signals nicely and present a formidable aggregation as they line up upon the field. On Saturday, however, they seemed to have forgotten a great deal that they learned in practice. This, however, is natural for a team of almost "new" players, who, within a few weeks, have learned all the football they know. It will probably take all of this year, and a part of next year to bring them to their peak in the science of football.

Washington looked formidable in the opening quarter, and it seemed certain they would smear the wet field with the Blue Ridge football squad. From the kick off they smashed their way down the field until within a few yards of Blue Ridge's goal line, where a touchdown seemed imminent. However, it was not to happen, and Blue Ridge, seizing a forward pass, which never should have been used at this time, worked the ball down the field and scored the first six points of the game, missing the try for goal.

The second quarter saw Blue Ridge decidedly on the offensive. With their forward pass working effectively, they soon menaced the Washington line again and scored the second touchdown of the game In this half, Washington seemed to be able to work but few of their plays successfully, and when they did take the offensive, they were unable to hold the same.

The second half saw Washington brace decidedly, and the friendly spectators hoped Washington would wipe away the 12-0 score, which had been piled up in the first half against them. By long runs from forward passes they soon became a menacing power, but immediately, almost, they lost the ground gained and fell into the defensive again. There was no score in the third quarter.

In the fourth quarter, Washington, by virtue of long runs by Carroll, menaced the Blue Ridge goal line, but the visiting aggregation proved too strong for them and smeared their plays and grounded their passes at crucial times. Toward the close of this period, Blue Ridge made their third touchdown, by catching a forward pass and running through a good part of Washington's team.

The game was a decided disappointment to local fans and the coaching staff. It means that Washington men will have to continue the hard grind of constant practice in order to present a front formidable enough to withstand the assaults of the hard games on the schedule. And this is football's lesson, after all, to come back and try again after defeat, and then keep on trying until victory comes.

The once-called "big three" of football has again been eliminated from the championship race of 1926. Yale went down before Brown on Saturday, 7-0. This was the biggest upset of the season. There were prospects of Yale being on the list of "favorably mentioned" this year at least. Princeton has long since been eliminated, while Harvard has never been in the race at all.

Navy is all set for the big game against Michigan in Baltimore today and a big crowd from Chestertown will be on hand to see Navy make a game fight. Hardly anyone expects him to win from this formidable aggregation, but Navy always fights hard and makes a good showing. In the game last year against Michigan, Navy made the poorest showing in their history. Their game Saturday against Colgate was certainly not formidable, and no one expects them to win from this so-called great eleven from Michigan.

Harry Greb, one-time conqueror of the now heavyweight champion of the world, Gene Tunney, died from an operation last week. Greb was one of the greatest middleweights of all time.

Rports to the effect that Jimmy Fox, of Sudlersville, had been traded to Jack Dunn's Baltimore Orioles by Connie Mack, manager of the Philadelphia Athletics, were found to be without foundation this week.

Washington is expected to have another good basketball team this year. Coach Kibler, the best basket ball man in Maryland, who has certainly put Washington College on the athletic map during the past decade, will have Carroll and Dumschott back again, as well as Cavanaugh. Stanley Jiritis, of Harford, Conn., and James Chapman, of Chestertown, are expected to star this year again.

—Kent's roads are in good condition.

—Campus Ave., and Philosophers Terrace, Chestertown, are being built up and beautified by some of the most beautiful homes in Chestertown. Mr. Laurence Brown was the first to erect a home on Campus Ave., while Dr. Parsons built the first home on Philosophers Terrace.

Popular Police Officer Recovers From Long Illness

Suffering From Sluggish Liver, Stomach Trouble and Nervousness Caused by Breakdown, Washington Policeman Recovers Health. Strength Restored. Praises Tanlac

If you never feel well and just drag through the days, tired and fagged out; if your stomach rebels at taking food and you spend miserable hours doubled up with indigestion pains; if you do not sleep soundly and dizziness attacks you; if you are losing energy and weight, watch out! Get relief before it is too late! C. C. Grimsley, 1402 Potomac Avenue, a well-known Washington, D. C., Police Officer suffered from a general breakdown and had to go to the hospital for 3 months.

"When I left the hospital," says Officer Grimsley, "I was in fairly good health. Then reaction set in. And my stomach began bothering me. My liver was sluggish and I couldn't eat a single thing without it disagreeing with me and causing intense pain. Constipation brought on headaches and my nerves went to pieces. At the end of a couple of hours I would feel as tired as I used to at the end of the day.

"A friend suggested that I try Tanlac. This wonderful tonic has helped me greatly. It toned up my liver and banished constipation. I now eat hearty meals three times a day without a sign of stomach trouble. Tanlac

has returned to me my old-time energy. It has done a world of good."

Officer Grimsley is only one of thousands of men and women who have been released from pain and suffering, who have been restored to good health and strength by Tanlac. This marvelous tonic, made from roots, barks and herbs according to the famous Tanlac formula may be what you need. The first bottle shows amazing results. Get Tanlac from your druggist. A Word With the Old Folks

Elderly People Are Learning Importance of Good Elimination.

IN the later years of life there is apt to be a slowing up of the bodily functions. Good elimination, however, is just as essential to the old as to the young. Many old folks have learned the value of *Doan's Pills* when a stimulant diuretic to the kidneys is required. Scanty or burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of *Doan's. Ask your neighbor!*

NOLAND

CHESTERTOWN, MARYLAND

"Every Day is Sales Day at Nolands."

Here's my smoke-platform

A JIMMY-PIPE with an ample bowl. A tobacco that is mild and mellow, yet not "mollycoddle," if you get me—and you *do*. You know what I mean . . . mild, yet with plenty of body to let you know you are smoking. A tobacco that smokes *cool*.

A tobacco that is fragrant in the package, to whet the appetite, and equally fragrant as you smoke it. A tobacco that does not bite the tongue or parch the throat. A tobacco so wonderfully satisfying that you are kept busy smoking and reloading, all day long.

There's only one tobacco in the whole wide world that I know of which meets this platform. Its name is "Prince Albert" and I claim it really is the prince of smokes. More men smoke this tobacco than any other brand, which is important and likewise true.

If you are still outside the fold of contented jimmy-pipers, buy a tidy red tin of P. A. today. No matter how satisfied you appear to be with your present brand, try Prince Albert. I promise you a smoke-experience that will be new and delightfully different.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.
