# "HAVE A CAMEL" IS MUSIC TO YOUR EARS

*Camel is totally different* from any other smoke. . . . It is more than a cigarette. . . . A lighted Camel is smoking enjoyment realized —the closest thing to the perfection of taste this old earth ever knew.

*Camel's popularity has no equal.* Camel demand exceeds any other cigarette preference ever known. To say "Camel" is to ask for the world's most popular cigarette. And to light a Camel is to taste the best.

*For there's a solid reason* back of the fame and the enjoyment of Camels. *Quality.* Camels are rolled of the choicest Turkish and Domestic tobaccos money can buy . . . blended for matchless taste and fragrance.

*If you would know how mild and mellow* a smoke can really be, just treat yourself to a pack of Camels. Once you know what these words mean, they're music . . . *"Have a Camel!"*
