THE TRANSCRIPT

Entered at the Postoffice at Chestertown, Md., as second-class matter.

THURSDAY OF NEXT WEEK will be Armistice Day the 8th anniversary of the signing of the Armistice which ended the greatest of all wars. We can well remember with what joy the news was received and how the boys were welcomed home. Let us forever hold this day sacred in memory of those who did not come back, those who gave their all. that the world might be at peace and enjoy prosperity The honoring of these heroes should not be left entirely to those who fought by their side but we should all join the American Legion in what over observance the might prepare for Armistice Day.

THE RESULT OF the Election in this State on Tuesday last shows the people of this state are satisfied with the progressive administration of Gov. Ritchie and it also snows the voters of this State discredited the Conowingo propaganda spread throughout the State by the Republican Candidates during the campaign. The rebuke administered to Mr. Mullikin should be a lesson long to be remembred by him and by his political coharts. The confidence of the people of this state in Governor Ritchie was surely manifested on Tuesday last. Just think of what has happened. The first time he ran for Governor his majority was less than 300 in the state; after his first administration of four years he was again elected by a morjority of 40,400 and now, after two terms as Governor he comes before the people of this grand old State of Maryland for the third time as its Governor and his morjority is about 60,000 over his opponent. No man in this State ever had such a record. He is, we believe, Presidential timber and we hope to see him our next President. There is glory enough in the result of this election we think for any Democratic.

Each candidate on our local ticket is likewise entitled to congratulations for their splendid majorities and we extend to each one of them our hearty congratulatons.

DEMOCRATS GAIN IN NATION

SECURE SIX ADDITIONAL SEATS IN SENATE AND CONSIDERABLE NUMBER IN HOUSE

The Democrats made a decided gain in both Senate and House in Tuesday's election.

Senator Butler, of Massachusetts, the Republican National Chairman, succumbed to a surging billow of votes for former Senator David I. Walsh, Senator Wadsworth, of New York, was buried under the same landslide that returned Al Smith to the Governer's chair at Albany by a quarter of a million plurality.

Senators Ernst, of Kentucky; Harreld, of Oklahoma; Williams, of Missouri, and Cameron, ofArizona, likewise passed out of the running, and the accumulating returns told of a continuing desperate struggle for survivval by the Republican Senatorial nominees in Maryland, Oregon and Colorado.

The count in the House as it stood today with a half-hundred districts still missing showed a net Democratic gain of thirteen seats, not dangerous in itself but likely to give the western Republican insurgents the balance of power should it be much increased.

Sweeping Republican victories were indicated in Idaho and California.

Life and Laughter Music and Song

In your home the year round

LET it linger on . . . Some of the joy of Christmas time—some of the sparkle, the merriment, the fun.

It will the whole year through—if there is music in your home. Music that invites the family to gather round . . . to sing the good old songs and the infectious new ones . . . to roll up the rugs and dance.

And that, of course, means nothing else than music that you play YOURSELF.

The Gulbransen Registering Piano has now made that possible.

You play it by roll-and-pedals, yet it gives you all the pleasure of hand playing. It enables you to play with all the naturalness and beauty of hand playing.
