Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

THE CONQUERORS

By Grantland Rice

Like unseen shadows they keep crowding in,
Like haunting ghosts upon a winter's night,
Silent amid the city's endless din
They put their growing pressure on the fight,
Gray, conquering years that gather, one by one,
To draw the circle closer in their sweep,
Until at last the final play is done
And the worn entry finds the dreamer's sleep.

The hills are higher now—the race is long
The grip of time grows tighter on the throat,
Their mocking laughter rings above the throng
As the next champion topples to the moat;
Once in his youth he laughed at them, but now
He sees them swarm upon his with the thrust
That takes the faded laurel from his brow
And writes his closing record in the rust.

Tanlac Gives Mrs. Rappold New Outlook on Life

Mother of 2 Children, Victim of Suffering Caused by Run-down Condition and Loss of Sleep Restored to Health and Strength. Gains 20 Pounds

Thousands of sufferers to whom life is a black leering shadow that gives no happiness and offers only sorrow and pain have gained a new perspective on life, have found new strength and freedom from pain in this wonderful tonic. Mrs. Elsie Rappold, 1924 N. Chester Street, Baltimore, says: "When Tanlac returned to me my old strength and energy, my courage returned and my outlook on life changed.

"About a year ago I was in a terrible run-down condition. I was ailing with little pains and aches all of the time. Life looked dark and dreary. There was little sunshine. I was unable to do my work I was so tired and worn out. I ate so little and slept so little that I lost weight, faded to a shadow of my former self.

"Something had to be done. I had to find relief. I read a great deal about Tanlac and what it had done so decided to try it. Today I am a new woman. I have gained 20 pounds and this marvelous tonic has given me new energy, ambition and courage. It has increased my appetite enormously and built up my strength. Tanlac has certainly put me on my feet and I truthfully make this statement in the hope that it will help others who are suffering as I did."

Benefit by Mrs. Rappold's experience. Let this tonic made from roots, barks and herbs according to the famous Tanlac formula, help rebuild your run-down system, relieve suffering, give you robust health. Results after taking first bottle will amaze you. At all druggists. More than 40 million bottles sold.
