THE TRANSCRIPT

KENT COUNTY has suffered a distinct loss in the death of Mr. Eugene M. Bonwill, Sr., of Still Pond. He was what might be termed a valuable citizen and an asset to any community. A man of keen business acumen and excellent judgment; successful in most undertakings and a safe man for the less experienced to follow. He was conservative and generous in his expressions about his fellow man; content within the comforts and shadow of his own hospitable home where friends were most welcome.

MARRIAGE LICEUSES

Nathaniel Katen 22, and Rosalie Neiman, 18, both of Philadelphia.

Charles Lofland 23, and Maude Simpler 18, both of Kent County.

Harry L. Kunkel 21, of Kemptan, Pa., and Marie V. Gehringer 18, of Clinesville, Pa.

Merle Taylor 22, and Marie M. Elburn 16, both of Kent County.

DISTURBED SLEEP

Caused From Bladder Irritation Is Nature's Signal of "Danger Ahead."

Joseph Dow, R. 55, Trenton, N. J. says: "My rest at night was disturbed 10 to 20 times. Lithiated Buchu has reduced this and entirely relieved me of that terrible burning and smarting. I was told there was no help for me. I want others to know and will tell or write my experience.

Lithiated Buchu is not a patent medicine. The formula is on the package. It acts on the bowels. Drives out abnormal deposits, lessens excessive acids, thereby relieving the irritation which causes "disturbed sleep." Keller Laboratory, Mechanicsburg, Ohio. Sold by M. A. Toulson.

No Engine Fumes in Buick closed cars

In the 1927 Buick, the new Vacuum Ventilator pulls engine fumes and gases from the crankcase and ejects them *outside the car.*

This vital new Buick improvement does away with noxious odors. It adds greater luxury and pleasure to enclosed car operation.

The Vacuum Ventilator serves another very important purpose. It prevents crankcase vapors from condensing and diluting the oil. Owners of 1927 Buicks are advised to drain their crankcase oil only *4 times during the year.*

For luxury, and for economy, own a Buick.

The Federal Land Bank

has loaned to the farmers of Kent and Queen Anne's Counties more than $275,000 at an annual rate of interest of 5½ per cent plus 1 per cent for an amortization payment for the purpose of reducing the principal loan.

It is true that the bank requires the borrower to purchase a certain amount of the stock of the Federal Land Bank but it pays an annual dividend of 7 per cent. on this stock which reduces your interest rate to about 5 1-3 per cent. per annum.

No other Bank is as cheap. Call and let me talk over the matter of a loan with you.
