A HAPPY AND PROSPEROUS NEW YEAR TO ONE AND ALL IS THE WISH OF THE EDITORS OF THIS PAPER.

HON. DWIGHT DARROW, assistant Sec. of War, has made the statement that a bridge across Chesapeake Bay from Bay Shore to Kent County will interfer with the testing of certain long range guns at Aberdeen. Is the upper part of Chesapeake Bay, one of the prettiest bodies of water in this section of the county, and the prosperity of the Eastern Shore to be sacrificed merely for the testing of a certain type of long range guns at Aberdeen? We believe that after a complete study of the situation this decision will be changed.

JUST AS CHRISTMAS gives us the opportunity to make others happy, New Year's Day gives us the opportunity to think about our selves. New year resolutions have been made since time immemorial and while a number of these resolutions are not kept yet it shows that we realize our faults and make an effort to correct them. Today starts a new year, what shall it hold for us? Pessimists predict hard times, while optimists predict prosperity, but what it will hold for us is just what we make of it. Let us start the New Year with the determination of making a more prosperous Kent County, create fellowship and good will toward our neighbors, give up selfishness, patronize home industries, talk prosperity, be slow to criticise and above all, work with the knowledge that "He profits most who serves best."

COMMUNICATED

Savannah, Ga., Dec. 31

Dear Nell:

Happy New Year!

In spite of the Eastertide weather, Savannah was filled with the Christmas spirit. In fact as soon as we rounded Cape Henry, Va., and plowed our way through the white capped ocean, I noticed the observance of Christmas with all sorts of spirits.

I reached this delightful suburb by way of a beautiful stretch of eight miles of concrete constructed by members of the "Chain Gang" this county of Chatham does not go to the expense of purchasing extra hand cuffs and of transporting its prisoners from the county jail to the penitentiary, in order to clear the space for new ones the jail birds are put to work on the roads.

Christmas morning I looked out the window and beheld boats on the river filled with boys who were enjoying the winter sports: some were sailing some crabbing and some swimming: The robins were rollicking in the tops of the China-berry trees enjoying the intoxicating nectar with which the berries are filled, in the twilight the frogs sang Christmas Carols in their own peculiar style.

Pardon me for referring again to the great national question, but the following anecdote may help you to realize how closely the south Atlantic states are allied with Cuba.

An egg nogg party was in full swing on Christmas Eve, and in front of the house was a mounted policeman thinking the place was being raided, I held aloof and watched proceedings from the corner I soon discovered that the policeman was drunk holding a little reception of his own in front of the house. Among those who passed him to enter the house was a lady with a severe cold who had lost her voice and in consequence was forced to speak in a whisper. She addressed the cop saying: "How do you do?" Sympathetically the cop whispered back "Yes It's all right I've just had some."

When I passed through Baltimore I made a point of finding out how much truth there is in the talk of the bridge for our Bay. From a reliable source, I learned that the money is now available and that it is a sure go what is more the new corner is already barking at our door.

Yours for spanning the Bay,
ELSIE DEE.

TEACHERS CONFERENCE

REGIONAL CONFERENCE OF SUPERVISING TEACHERS TO BE HELD IN CHESTERTOWN

Notice was received last week from Dr. Albert S. Cook, State Superintendent of Schools in Maryland that one of the four group meetings of supervising teachers to be held in the state next month is scheduled for Chestertown. The notice reads as follows: "A group meeting of supervisors will be held in Kent County on Wednesday evening, Thursday, and Friday, January 26, 27 and 28, 1927 for the purpose of studying the work of Miss Woodley, Supervising Teacher of that county. The program has been arranged as follows:

Wednesday evening, 8.00—9.00—Preliminary conference in the elementary school building in Chestertown.

Thursday, 8.00 a. m.—4.00 p. m.—Visiting schools.

Thursday evening, 8 o'clock— Discussion of work observed.

Friday morning, 9 o'clock—Discussion of the October bulletin, "A Supervisor of Town Schools Analyses Her Work;" and Presentation of Tentative Goals in History.

The conference will adjourn at 12 o'clock on Friday."

Besides the supervising teachers of the other eight counties on the Eastern Shore, one supervising teacher from Harford County and three from Baltimore County have been specially invited by Dr. Cook to attend this conference. Some of those in the other counties are also expected. Dr. Cook has urged the county superintendents of schools to attend one of the four conferences, and a number of them are already making plans to attend the one to be held in Kent.

Miss I Jewell Simpson, Assistant State Superintendent of Schools in Charge of Tlementary Instruction, assisted by Miss M. Theresa Wiedefeld, Assistant State Supervisor of Tlementary Schools, will conduct the conference.

The selection of Kent County by the State School Official as one of the four centers in which to hold these conferences this year is a well deserved compliment to Miss Helen Jane Woodley, Supervising Teacher of Elementary Schools in Kent County. She brought to the county a little more tha two years ago a wealth of training and experience that has enabled her to help the teachers to raise their work to a standard never before attained in the schools of Kent. The loyal support that the teachers are giving her in the plans that she makes for them is an omen of much greater educational advantages that will continue to result to the boys and girls attending the schools. Her work too is highly commended by the members of the State Department of Education.

Louis. C. Robinson, County Superintendent.

QUIT GETTING UP NIGHTS

A Healthy Bladder Acts During the Day

C. N. Shuman, Republic, Ohio, says: "Before taking Lithiated Buchu (Keller Formula) had to get up six or seven times each night. Now I do not get up at all. You may use my name if it would benefit anyone with bladder trouble. Be careful not to take drugs that check the action of the bladder. You may have to continue its use. Lithiated Buchu (Keller Formula) increases the action during the day. It cleanses the bladder as epsom salts the bowels driving out foreign matter, neutralizing excess acids, thereby relieving the irritation which causes "Getting Up Nights." he tablets cost 2c each at all drug stores or Keller Laboratory, Mechanicsburg, Ohio.
