The Federal Land Bank

has loaned to the farmers of Kent and Queen Anne's Counties more than $275,000 at an annual rate of interest of 5½ per cent plus 1 per cent for an amortization payment for the purpose of reducing the principal loan.

It is true that the bank requires the borrower to purchase a certain amount of the stock of the Federal Land Bank but it pays an annual dividend of 7 per cent. on this stock which reduces your interest rate to about 5 1-3 per cent. per annum.

No other Bank is as cheap. Call and let me talk over the matter of a loan with you.

THE THINGS THAT HAVEN'T BEEN DONE BEFORE

The things that haven't been done before,
Those are the things to try;
Columbus dreamed of an unknown shore
At the rim of the far-flung sky,
And his heart was bold and his faith was strong
As he ventured in dangers new,
And he paid no heed to the jeering throng
Or the fears of the doubting crew.

The many who follow the beaten track
With guideposts on the way,
They live and have lived for ages back
With a chart for every day.
Someone has told them it's safe to go
On the road he has traveled o'er,
And all that they ever strive to know,
Are the things that were known before.

A few strike out, without map or chart,
Where never a man has been,
From the beaten paths they draw apart
To see what no man has seen.
There are deeds they hunger alone to do;
Though battered and bruised and sore,
They blaze the path for the many, who
Do nothing not done before.

The things that haven't been done before
Are the tasks worth while today;
Are you one of the flock that follows, or
Are you one that shall lead the way?
Are you one of the timid souls that quail
At the jeers of a doubting crew,
Or dare you, whether you win or fail,
Strike out for a goal that's new?

—Edgar A. Guest.
