The Summons Plan

The SUMMONS PLAN is founded upon the principle that the investor is entitled, not only to a fair return on a safe investment, but an equal share in the profits derived from the large remunerative commercial banking system.

The SUMMONS FINANCE CORPORATION is engaged in commercial banking. The full amount of your investment is safely protected by a first lien on all physical collateral and augmented by insurance coverage. The corporation's equity is never in excess of the immediate liquidation value of the collateral.

D. H. SUMMONS is the president of the company. His achievements in the automobile field are well known. He has been in the automotive business for 15 years, and has the knowledge that is so essential for the operation of a successful finance company. The personnel of the officers and board of directors reflects character and integrity. These men are leading citizens in their communities and are a credit to the SUMMONS FINANCE CORPORATION.

TRI-COUNTY MEETING

In preparation for the Del-Mar-Va takes Inventory Congress to be held in February at Salisbury, an inter-county meeting of Cecil, Kent Queen Anne's Caroline and Talbot counties was held in William Smith Hall, Washington College on Wednesday morning of this week.

Cecil, Kent and Caroline were well represented and a general check up of the agricultural and business conditions in these various counties were made. With this data the secretary will write a report which will be read by the president of these counties at the meeting in Salisbury.

With a complete set of data to work on, the Del-Mar-Va Eastern Shore Association hopes to revise their schedule of activities so as to meet the present needs of the peninsula.

Those who attended the meeting from Kent county were Messrs. W. B. Copper, Dr. Paul E. Titsworth, Marion DeK Smith, Jr., Harry F. Jefferson, Harry S. Russell, Howard Owens, Ellsworth E. Leary and Richard H. Collins, Jr.

Senator Henry M. McCullough presided at the meeting and Mr. Marion deK Smith, Jr., acted as secretary. Permanent officers to represent these counties at the conference were elected as follows: Mr. Hughlett Henry of Easton, president and Mr. Marion deK Smith, Jr., secretary.

THE SUMMONS FINANCE CORPORATION

The growth of the Summons Finance Corporation, which has its main offices in Wilmington, Del., and branch offices at Baltimore, Md., and Reading, Pa., has been due in a large measure to the individuality of its president, D. H. Summons, aided by an unusually able board of directors. The recent acquisition of the Continental Mortgage and Credit Company of Baltimore by the Summons Finance Corporation is another marked step in the growth of the Summons Finance Corporation.

The Summons Finance was formed in November 1924 and occupied its Wilmington offices in May 1925. Since that time, the company has grown by leaps and bounds. It has already paid 3 dividends on the preferred stock, at the rate of 8 per cent per annum.

D. H. Summons, the president was born not very far from Wilmington and he has lived through the Delmarva section all his life. He has had fifteen years experience in automobiles and established a record some years ago of selling fifty automobiles in fifty days. He is the owner of the Summons Insurance Agency and only recently his organization finished third in an insurance contest with Pittsburgh and Philadelphia finishing first and second.

Mr. Summons had made his way in the world largely through his own efforts, having lost his father while young, and as soon as he was able, went to work on a farm and earned $4.50 a month and gave half of that to his mother. He kept working, however, and his efforts were rewarded with success. This corporations advertisement will be found on page in this issue.
