CHEVROLET

Bigger and Better

See the New Chevrolet now on display!

Today, Chevrolet presents the crowning triumph of sixteen years' continuous progress—a great new automobile so impressive in appearance, performance and staunchness that it marks the opening of a new era of luxurious transportation at low cost.

Built on a 107-inch wheelbase—4 inches longer than before—the Bigger and Better Chevrolet is impressively large, low and racy. Its new Fisher Bodies are finished in new Duco colors and offer rich new upholsteries and handsome appointments. Its improved valve-in-head engine has numerous impressive features such as alloy "invar strut" pistons, hydro-laminated camshaft gears, mushroom type valve tappets, AC oil filter and AC air cleaner. The chassis also has been redesigned. As a result, the new Chevrolet provides delightful smoothness throughout the entire speed range—a wide margin of power for hills—click-of-the-heel acceleration—the ability to maintain 50, 55 and 60 miles an hour without the slightest sense of forcing or fatigue—the safety of four-wheel brakes—the steering ease that can only result from a ball bearing worm and gear steering mechanism—and comfort over all roads at all speeds due to semi-elliptic shock absorber springs—84% of the wheelbase.

Come in—see the car—and learn how Chevrolet has again electrified America by creating a bigger and better motor car and offering it at prices so low as to be actually amazing!

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.

- Improved valve-in-head motor.
- New stronger frame 4" longer; wheelbase 107".
- Thermostat control cooling system.
- New alloy "invar strut" pistons.
- New instrument panel, indirectly lighted.
- New two-port exhaust.
- New ball bearing worm and gear steering.
- Semi-elliptic shock absorber springs; 84% of wheelbase.
- Safety gasoline tank at rear.
- Larger balloon tires 30" x 4.50".
- New streamline bodies by Fisher.
- Alemite pressure lubrication.
- New Duco colors.
- Theft-proof steering and ignition lock.
- AC oil filter.
- AC air cleaner.
- Single-plate dry disc clutch.
- New crankcase breathing system.
- Heavy one-piece full-crown fenders.
- Vacuum tank fuel supply.
- Improved Delco-Remy Distributor ignition.
- Combination tail and stop light.
- Large 17" steering wheel, spark and throttle levers located at top.
- Fisher "VV" one-piece windshield on closed models.
- Automatic windshield wipers on closed models.
- Semi-floating rear axle.

and 4-Wheel Brakes

MARYLAND WEEK ANNUAL MEETING

The annual meetings of the Maryland Agrcultural Society, the Maryland Farm Bureau was held in Baltimore on Tuesday, Wednesday, Thursday and Friday of this week.

The affiliated associations which make up the Maryland Agricultural Society are Horticultural, Crop Improvemeint Assn., Dairymen's Association, Bookeepers' Association, Vegetable Growers' Assn., Sheep Growers' Assn., Tobacco Growers' Assn., Agricultural Corp., of Md., Swine Breeders' Assn.

Tuesday meeting was taken up entirely by the Maryland Horticultural Society meetings.

Wednesday morning annual group meetings of the Vegetable Growers' Association, Sheep Growers' Association, 4-H Club Conference, Horticultural Society, Crop Improvement Association and Agricultural Corporation of Md., were held. The afternoon was taken up with the first general session of all the associations. In the evening group meetings of the Swine Growers' Association, Beekeepers' Association, Board of Directors—Md. Farm Bureau Federation, and the Horticural Society were held.

On Thursday morning the following group meetings were held: Women's Home and Community Committee, Tobacco Growers' Association, Vegetable Growers' Association, Dairymen's Association and Beef Cattle Conference, Crop Improvement Association. In the afternoon the second general session was held. The banquet was held in the evening which was one of the features of the meeting.

Friday morning the various associations met for the third convention sessions after which the four day meeting adjourned.

A state corn show was held by the Crop Improvement Association during the session was one of the interesting features. Those from Kent county who exhibited ten ears of corn were: Messrs. Josiah Massey, Thomas H. Bryan, L. A. Sutton, John Nailer. Single ears were exhibited by Messrs. Herbert Ford and Earl Nicholson.

A large number of Kent farmers attended the session.

Fire Wednesday morning completely destroyed the Ennis garage on the du Pont Boulevard here, together with practically all the contents, causing a loss which is estimated at between $30,000 and $40,000 on only a part of which there any insurance. The garage, one of the largest in the state outside of Wilmington, was owned by William T. Ennis and his brother, John R. Ennis. The building was 80 feet wide and 110 feet long and was constructed chiefly of corrugated iron.

NOTICE TO CREDITORS

NOTICE is hereby given that the undersigned has obtained from the Orphans' Court for Kent County letters of Administration D. B. N. on the personal estate of

UNIT R. HORSEY

late of said county, deceased. All persons having claims against said deceased's estate are hereby warned to exhibit the same, with the proper vouchers thereof, to the undersigned on or before the 10th day of June 1928 otherwise they may by law be excluded from all benefit of said deceased's personal estate.

All persons indebted to this estate must settle at once.

Given under my hand this 3rd day of December 1927.
