DEMOCRATIC CONVENTION MEETS IN HOUSTON

At a meeting of the National Democratic Committee in Washington on Thursday the 12, it was decided to hold the National Democratic Convention at Houston, Texas this year. Much enthusiason was shown at the meeting.

Perhaps the most outspoken orator at the harmony feast—certainly the most outspoken among the headliners, was Governor Ritchie. He refused to deal lightly with controversial matters, as he said he had been urged to do and, although he unlimbered no heavy artillery, he did remind his party associates that such issues as prohibition were fundamental and could not be dodged by harmonizers or covered up with generalities.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on November 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.
