y Clearance

An entirely new standard of values established will make this sale stand above its predecessors as startling as they have stood out among competitive events. Note the low price-level that has been established, but don't let it cause you to under-estimate the character of the merchandise: Everything that is advertised on this page is of first quality, and when you come in today, Saturday morning, and see the different articles, you would probably want them almost at any price. Of course this advertisement tells in part--and part only--of the many values that are to be offered at prices that induce many to come a long ways to share
