AUTOMOBILE NEWS

This week an official gasoline consumption test was made on the Ford truck.

The test was made by completely draining the gasoline tank and carburetor, and putting one half gallon of gasoline in the tank and driving the truck until it ran dry.

The test was made in the presence of Messrs. William B. Usilton and R. ... Collins, Jr., and at the end of the run an officially tested speedometer showed 12.9 miles making 25.8 miles to the gallon. An average speed of ... miles per hour was maintained during the test. After the test the truck was driven at a speed of 45 miles per hour.

A similar test was made on the Ford Coach which resulted in a consumption of 25.2 miles to the gallon. Later a speed of 58 miles an hour was attained.

A CORRECTION

The article in this paper last week stating that Emmanuel Guild had gone over the top by $1.00 in its effort to raise $164.00 for the Easton Home for Children was an error in the fact that the plan was not sponsored by the Guild of Emmanual Church, but was raised by members of that and other organizations; also by members of St. Pauls, Massey, I. U. and Millington, all of whom took a keen interest in carring out the plan. As the Home has been enlarged and there are many more to care for various ways and means are being devised for its maintenance.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on November 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.
