THE congressional situation on the Eastern Shore seems to have reached a state of coma. With the primaries a little over two months away there is apparently no activity among candidates or prospective candidates. Congressman Goldsborough has not yet publicty announced whether he will again seek the nomination. There are, we understand, several tentative candidates but so far there has been no public announcements made by them. Congressman Goldsborough's decision is being anxiously looked for by his friends throughout the district, and until his position is known there will probably be no announcements from other prospective candidates. It has been stated that Mr. Hooper Miles, of Wicomico county, who announced his candidacy some time ago has recently been appointed to a responsible position in Salisbury and will withdraw from the congressional fight, thus leaving State Senator H. C. Legg, of Queen Anne, the only announced candidate to date in the congressional field.

COMMUNICATE

THE GYPSY ROVER

The three act Musical Comedy presented by pupils of the Chestertown High School in the Lyceum Theatre Monday and Tuesday nights was one of the best amateur entertainments ever presented in Chestertown.

I wish I had the space to compliment each child for the splendid way in which they handled their respective parts and also to those who entertained the audience with beautiful selections of music.

But being limited in space I must content myself with complimenting Vernon Needles and Emily Jewell for the masterful manner in which they handled the leading parts; they acted their parts like old stage veterans. I am very thankful that I live in a town that has a school like C. H. S. that can produce such beautiful plays under the management of the Faculty. In conclusion I wish to say that my hat is off to Miss Bryan who spent so much of her time in coaching and preparing these children in this play, so that they would be at their best, and I know that the public hopes her and her scholars will entertain us real soon with another of those wonderful musical entertainments.

The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

We quote the following article from the monthly letter of the American Exchange National Bank of New York:

"OLD HOME INFLUENCES

As an institution for character building there is nothing that can take the place of the old-fashioned home. To those who appreciate the part which the influences of the old home-life had in building up the qualities that made the men who made our civilization, nothing is so important as the preservation and restoration of the home as our mothers and fathers knew it. The old home has not disappeared; it still lives and flourishes; but its struggle for survival grows harder as time passes and appreciation of its attractions and values languishes. Life is more hectic, more intense, its claims upon us seem more extensive, but it offers more diversion than diversity, and the fundamentals are still what they have always been.

The simple qualities that were bred and nurtured in the old-fashioned home are still the qualities that men admire. Honesty, courage, chivalry, courtesy and sportsmanship are still the essentials of our standards of character, the basic things that make our associations with one another possible. These things can be taught outside the home, but they cannot be built into men and woemn by anything but the home influences that bred them. In these qualities we have the foundation of self-respect, of respect for the rights of others, the basis of unselfishness and of kindliness. The old-fashioned home made good neighbors, good citizens and God-fearing men and women. It taught temperance, frugality and self-reliance; it fostered love, loyalty and friendship; it was religious, it was devout, it was pious. It was simple, unostentatious and gracious. Its pride was the pride of sons and daughters in fathers and mothers. It was hospitable, gentle and cultured. Manor or cottage, the old home was the abiding place of all that was sacred and dear to the hearts of men and women who had learned to live as no generation ever lived before or since. No greater boon could come to us than to have the old home restored to us in all the glory of its simplicity.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on Novem ber 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.
