MAJOR FRANK B. HINES and every man in the Medical Detachment First Maryland Infantry are to be congratulated up on the showing made at the annual inspection by Colonel Markey. The activities of the company during the inspection showed that this unit is ready to do its part when called upon. The first aid training, as exhibited, gives Kent county assurance of valuable aid and in case of a disaster and the efficiency of this company makes it deserving of a State armory.

THE POLITICAL SITUATION on the Eastern Shore for the nomination to Congress is about the same as last week. There are still three candidates in the field—S. Scott Beck, of this county, Congressman T. Allen Goldsborough, of Caroline county, and J. H. C. Lee, of Queen Annes county. There has been much speculation about Ex-Governor Harrington, of Dorchester county entering the race, but the present indications are that he will not be a candidate. Should Gov. Harhington decide not to be a candidate it is thought Senator Beck's chances will be much enhanced thereby. With Gov. Harrington out of the contest it is believed Talbot county will swing to Senator Beck and that he will receive a good vote from Dorchester. The situation in Wicomico and in Somerset are encouraging. Just what will be the result in Worcester county since the death of Senator Harrison is problematical, although the information that comes to us from Worcester favors Congressman Goldsborough. A three cornered political fight is always fraught with more uncertainly than most any other contest, and is, therefore, most dreaded by the candidates. Viewing the contentest from what information comes to us it looks very encouraging for our Kent county candidate, Senator S. Scott Beck.

SPORTS OF WEEK

BASEBALL SEASON OPENS TODAY AT WASHINGTON COLLEGE—THE HEAVYWEIGHT SITUATION STILL IN DOUBT—BOXING AT CENTREVILLE TONIGHT—OTHER NOTES OF INTEREST

BY POLK T. BRAMBLE

The baseball season at Washington College will open on Saturday afternoon, when Springfield College will appear here. Coach Kibler has had a big squad out for several weeks in preparation for the game. Purcell, White and Griffin will be on the mound for Washington, and they are slowly rounding into form. The line-up for Saturday's game has not been definitely decided, but Coach Kibler will probably use the team which has been appearing for the varsity for the past week in practice.

A large number of Kent fans will be on hand again tonight in Centreville, when Matchmaker Parrott will put on another boxing contest. Bob Cosden, champion lightweight of the shore, will meet Young Tomlinson, of Dover, Delaware, in the feature ofthe double-windup. The other bouts will be equally interest and plenty of action is promised.

There will be no spring football training at Washington College this spring.

Prof. Stenger will coach the Chestertown High School nine during the coming season.

Flowers is showing up well with the Brooklyn team of the National League.

The heavyweight situation is still in a tangle, with Tunney claiming he wants to fight, and about a half dozen wanting to fight him. Rickard and Fugazy and two or three others claim they want to match them, yet they don't get together. The trouble is simply this: Tunney wants about a half million dollars for about a two thousand dollar show. The public will not pay it. Also they will go on living, and eating, and drinking, whether Tunney ever fights again or not.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on November 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.
