DON'T LET BAD HEALTH SLOW YOU UP

Bad health is expensive and unnecessary. To correct your disease or ailment, the CAUSE must first be located before the proper treatment can be given. Dr. Carter can very often locate this cause with his powerful X-ray machine.

How do you know if your rheumatic pains, headaches, backaches, etc., are caused by infection or nerve pressure? Your teeth may be infected and still you wouldn't necessarily know it. From such an infection, numerous ailments can follow. Have an X-ray examination made now to learn the cause of your ill-health.

For a limited time Dr. Carter is taking five and ten dollar X-ray pictures of a hand, arm, leg, foot, sinus antrum, stomach, chest, ect., for only THREE dollars. One dental X-ray picture will be taken for two dollars.

Consider the above facts carefully, then come in at your earliest convenience to have Dr. Carter demonstrate the X-ray to you.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared t meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
