AT A MEETING of the Democratic State Central Committees held in Baltimore Wednesday, it was decided to hold the Democratic Convention to select delegates to the National Convention at Houston, Texas, on May 22. Three delegates to the state convention from this county will be elected at the primaries to be held here on May 7. Up to the present time there has been no candidates filed for delegates.

WITH GOVERNOR HARRINGTON definitely out of the race for the congressional nomination in this district the fight will be a three-cornered one between our present congressman, the Hon. T. Allen Goldsborough, of Caroline county, Senator S. Scott Beck, of Kent County and Senator J. H. C. Legg, of Queen Annes County. The friends of Senator Beck feel much encouraged over the outlook for his success, at the same time they realize he has strong opposition, nevertheless they feel that Kent County is entitled to the nomination and believe this claim is so recognized by most of the shore counties. Had Governor Harrington entered the fight Talbot county would have favored the Governor, but with him out of the contest it is at this time speculative as to who Talbot will favor. With the Wilson forces in Queen Annes, which are recognized as the organization, backing Senator Beck it is practically certain that the senator will get a good vote in that county and should either Talbot or Dorcester swing to Beck with the other backing he has, it is claimed would make him a sure winner.

CHAMBER OF COMMERCE DINNER

Arrangements are complete for the third annual dinner of the Kent County Chamber of Commerce to be held in the Washington College gymnasium on Thursday, April 19th.

Dr. F. B. Bomberger, executive director of the Del-Mar-Va Eastern Shore Association and Mr. J. H. Farrell of Wilmington will be the speakers of the evening.

The dinner is not confined to members as all who are interested in the progress of Kent county are invited.

SWEPSON EARL ADDRESSES ROTARY

Conservation Commissioner Swepson Earle addressed the Chestertown Rotary club on Monday evening of this week.

Mr. Earl stated that through constructive legislation, the danger of the depletion of Maryland's seafood industry is past and that the industry is gradually climbing toward normalcy.

The state fish hatcheries have almost doubled their former capacity and many small fish are seen in the bay.

The enforcement of the cull law and planting of seed oysters increased this year's oyster catch at least one third above what it was last wear.

Every indication points to a bumper crab crop due to legislation in the Eastern Shore of Virginia counties protecting the sponge crab. Mr. Earle's talk was very interesting.

Political Announcement

BECK FOR CONGRESS

STATE SENATOR S. SCOTT BECK, of Kent county, has announced his canddacy for Congress, subject to the Democratic Primary to be held on Monday, May 7th, 1928, and has filed his certificate of candidacy in every county on the Shore.

Senator Beck's record in the Maryland Senate during the 1927 Session, when he championed alike the cause of the farmer and waterman, speaks for itself and was such as to entitle him now to the support of every Democrat in the coming Primary for Congress

Realizing the depressing economic conditions prevailing throughout the District, Senator Beck favors the enactment of such Federal Legislation as will help the farmer secure better prices for his crops and remove the tariff on farm machinery; he is for greater tax reduction and debt retirement; adequate appropriation for the betterment and proper development of our rivers, harbors and inland waterways, and securement of financial aid necessary for the reestablishment of the oyster and shell-fish industry.

As President of The Chestertown Bank of Maryland, an institution with over $1,000,000 on deposit, Senator Beck is well versed in financial matters and is qualified to represent the business interests of his constituency.

John Medders, Clerk to Kent County Commissioners. m24-3t.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on November 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.

THOMAS D. BOWERS, Sec't'y., Treasurer.
