THE TRANSCRIPT

THE FILING DATE for candidates for the U. S. Senate has closed. There are three candidates for this office Senator Bruce, the present incumbent, Mrs. Virginia Peters Parkhurst, Democrats, and former Governor Phillips Lee Goldsborough, Republician. Candidates for Congress and delegates to the state convention must file by Monday next, April 16 otherwise their names cannot appear on the primary ballots May 7, according to a ruling by the Attorney General.

LEGG WITHDRAWN FROM THE CONGRESSIONAL FIGHT

Senator J. H. C. Legg, of Queen Annes County has withdrawn as a candidate for Congress in this district. In a conversation with the senator yesterday he stated that he withdrew Thursday evening and that he would remain nutral in the contest between Senator S. Scott Beck, of this county, and congressman T. Allen Goldsborough, of Caroline County. The withdrawnal of Senator Legg has removed an embarrassing complication and brings the contest to a straight fight between Senator Beck and congressman Goldsborough. The primaries take place Monday, May 7, which leaves just three more weeks for the campaign. Senator Beck's friends claim the senator has received much additional encouragement during the past week and assurt his chances for success are excellent, as the withdrawal of Senator Legg will add much strength to his already strong assurances of support in some of the other counties.

Political Announcement

BECK FOR CONGRESS

STATE SENATOR S. SCOTT BECK, of Kent County, has announced his candidacy for Congress, subject to the Democratic Primary to be held on Monday, May 7th, 1928, and has filed his certificate of candidacy in every county on the Shore.

Senator Beck's record in the Maryland Senate during the 1927 Session, when he championed alike the cause of the farmer and waterman, speaks for itself and was such as to entitle him ow e support of every Democrat in the coming Primary for Congress.

Realizing the depressing economic conditions prevailing throughout the District, Senator Beck favors the enactment of such Federal Legislation as will help the farmer secure better prices for his crops and remove the tariff on farm machinery; he is for greater tax reduction and debt retirement; adequate appropriation for the betterment and proper development of our rivers, harbors and inland waterways, and securement of financial aid necessary for the reestablishment of the oyster and shell-fish industry.

As President of The Chestertown Bank of Maryland, an institution with over $1,000,000.00 on deposit, Senator Beck is well versed in financial matters and is qualified to represent the business interests of his constituency.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

SERVICE to customers is the aim of banks. REAL SERVICE of any kind is rare. It can only come where there is training, intelligence and spirit. It must come from the heart as well as from the brain. It is not perfunctory, it is the result of vision and of seeking the best interest of others. Its reward is sure and its results are confidence and satisfaction. When a bank says that it gives its customers real service, it makes a large claim. It no doubt does give excellent service in certain cases, but, after all, its average service is what it will be judged by. To make THIS bank average above the average is the task this bank has set before it. That we have not always succeeded is manifest, but the earnestness of the endeavor has brought definite results. It has awakened in our staff the desire to serve. It has put a spirit into our contact with our customers which is apparently appreciated. The real problem is to serve our depositors as well as to advertise to them, and building up good will can only come as, with the passing of time, the public realize that this institution is able and willing to live up to its promises of services as advertised; Better, Broader and More Helpful.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on November 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.
