FRED NIBLO
Photoplay Director, *writes:*

"To a moving picture director there is no comfort or luxury like a good cigarette. Such a cigarette I have found in 'The Lucky Strike'—and during the filming of big pictures like 'Ben Hur' I smoked 'Luckies' even while directing in the open air thousands of supernumeraries, and never once did I ever suffer from throat irritation."

Sensational Success
—based on sensational value

You need to know only a few of the exclusive superiorities offered by today's Pontiac Six to understand that its sensational success is based on sensational value. It is the lowest priced six in the world with body by Fisher. It is the lowest priced six offering the G-M-R cylinder head, the cross-flow radiator and the AC fuel pump. It is the only low-priced six combining 185 cubic inches piston displacement, a full-pressure oiling system, interchangeable main bearings and instant action four-wheel brakes.

Add to these evident advantages in design the fact that it is the lowest priced six built by General Motors—that in the hands of 200,000 owners it has won a worldwide reputation for endurance, long life and high resale value—and then you will know why Pontiac Six sales are continually reaching new record-breaking heights!

Coupe, $745; Sport Roadster, $745; Phaeton, $775; Cabriolet, $795; 4-Door Sedan, $825; Sport Landau Sedan, $875. Oakland All-American Six, $1045 to $1265. All prices at factory. Delivered prices include minimum handling charges. Easy to pay on the liberal General Motors Time Payment Plan.
