CRISP NEWS TO CIGAR SMOKERS, 5c

One nickel. It won't break you, and it won't make us. But it will bring you some real news about cigars—and *Havana Ribbon* in particular. Not that this thirty-year-old cigar hasn't always been clearly at the head of five-cent cigars. But *Havana Ribbon* today carries a story of quality and money value never before attained in the history of 5-cent cigars: *It's ripe tobacco.*

Ripe tobacco (the full-flavored middle leaves of the plant) gives a cigar a true, mellow-mild flavor you can't mistake. Long filler keeps the tobacco in the cigar—and out of your mouth (no short, loose ends). Not another cigar made that combines these two great features with such completeness for the money!

Popularity has done it. Millions being smoked. Immense production has brought manufacturing costs down and quality up. Try *Havana Ribbon* and get the startling significance of these facts direct. A nickel is all that stands between you and a pleasant surprise.

Also sold in *Practical Pocket Packages* of five cigars.

Katherine Rapp Gray
vs.
Herbert Ashmead Gray

In the Circuit Court for Kent County
In Equity, No. 2510

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimonii for the Plaintiff, a resident of Kent County, Maryland, from the Defendant, a non-resident of the State of Maryland.

The Bill states:

1. That on the 25th day of April 1921, she was married to her husband, Herbert Ashmead Gray, at Atlantic City, State of New Jersey, by Rev. J. M. Linton, a duly ordained Minister of the Gospel, and resided with him at Atlantic City, State of New Jersey, until April 18th, 1924.

2. That though the conduct of your oratrix towards her husband, the said Herbert Ashmead Gray, has always been kind, affectionate and above reproach, the said Herbert Ashmead Gray, has without just cause or reason abandoned her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation.

3. That your Oratrix and the said defendant had no children born to them from said marriage.

4. That the said Herbert Ashamed is a non-resident of the State of Maryland, and whose whereabouts at the time of filing of this Bill of Complaint is unknown to your Oratrix.

5. That your Oratrix is a resident of Betterton, Kent County, Maryland, where she has lived since the 1st day of June, 1925.

It is thereupon, this 22nd day of March, 1928, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 23rd day of April next, give notice to the said Herbert Ashmead Gray, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 7th day of May next, to show cause, if any he has, why a decree ought not to be passed as prayed.

Millions of Model T Fords *are still in active service*

FOR nearly twenty years, the Model T Ford led the motor industry and it still is used by more people than any other automobile. More than eight million Model T Fords are in active service today—an indication of their sturdy worth, reliability and economy.

Because of the tremendous investment which people have in these cars and because so many of them will be driven for two, three, and even five more years, the Ford Motor Company will continue to make replacement parts until, as Henry Ford himself says, "the last Model T is off the road."

For the Ford Motor Company has always believed that its full duty consists not only in making a good automobile at a low price, but also in keeping it running efficiently for you as long as possible at a minimum of expense.

No matter where you live, therefore, you can still buy Model T Ford parts with the same assurance as formerly, knowing that they will give you the kind of service you have a right to expect, and at the same time protect the money you have invested in your car.

All Ford replacement parts, as you may know, are made of the same materials and in the same way as those from which your car was originally assembled, and are low in price because of the established Ford policy.

So that you may get the greatest use from your Model T Ford over the longest period of time, we suggest that you take the car to the nearest Ford dealer and have him estimate on the cost of any replacement parts which may be necessary. You may find that a very small expenditure will maintain the value of your car and will be the means of giving you thousands of miles of additional service.
