NOLAND

A JIM-DANDY NICKEL CIGAR

Made with Ripe Tobacco and Ripe Experience

When good tobacco and thirty years of cigar-making experience get together, you're pretty sure of a good smoke. But when combined in a cigar you can buy for a nickel, man, you've found something!

Here it is: *Havana Ribbon.* Value? Count back over the years—over the old-time purchasing power of a five-cent piece. Smoke a *Havana Ribbon.* You'll find your nickel buys a *better* cigar than it *ever* bought.

Sheer popularity has done it. Immense production enables the use of tobaccos usually considered too expensive for five-cent cigars. *Havana Ribbon* is made entirely of *ripe* tobacco — the choice middle leaves of the plant. No bitter *under*-ripe nor "flat" *over*-ripe leaves. Pure, fragrant, mellow-mild flavor of tobacco at its best. Long filler, too—no "cuttings" or short ends.

Also sold in *Practical Pocket Packages* of five cigars.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared t meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

Don't Neglect Your Kidneys!

You Can't Be Well When Kidneys Act Sluggishly.

DO you find yourself running down—always tired, nervous and depressed? Are you stiff and achy, subject to nagging backache, drowsy headaches and dizzy spells? Are kidney excretions scanty, too frequent or burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. *Doan's* are endorsed everywhere. *Ask your neighbor!*

50,000 Users Endorse Doan's:

Mrs. John B. Michel, 2070 E. Oliver St., Baltimore, Md., says: "I have known of Doan's Pills for years and have always found them good. I had dizzy spells and headaches and my kidneys seemed sluggish. I felt tired all the time and was lame and sore all over. I give Doan's Pills credit for restoring me to the good health I have enjoyed since using them."

Closer than a tattooed anchor

P.A. and I are like that. Closer than the paper on the wall. P.A. is so companionable, so genuinely friendly. When you open the tidy red tin, you get a fragrant notice of how friendly it's going to be in a pipe. Then you tamp in a load and apply the match.

Man, that taste! Cool as an Eskimo's front porch. Refreshing as arctic sunshine. Mellow and mild and long-burning, with a full, rich tobacco-body that puts you next to a new kind of pipe-joy. Here's a smoke that you can write home about. It's got everything!

They tell me more P.A. is smoked than any other brand. I believe it, and I think I know why. If you don't know the deep-down satisfaction of a jimmy-pipe and Prince Albert, you've been missing the best bet in the whole tobacco-line. I'm giving it to you straight, Men.

There are TWO full ounces of smoke-contentment in every tidy red tin.
