POLITICAL ADVERTISEMENT

TO THE REPUBLICAN VOTERS OF KENT COUNTY, MD.

I am a candidate for delegate to the Republican State Convention on the Republican County Organization ticket supporting the State Organization under the leadership of Senator O. E. Weller and Honorable Galen L. Tait, Chairman of the Republican State Central Committee for the State of Maryland. The time has come when I must be frank with the voters and let them know where I have stood and where I now stand with reference to the Chestertown Post office appointment, and the election of a National Committeeman.

I have always backed Mr. John N. Bennett for the Post Office. Four years ago I requested the State Central Committee to endorse him and he was appointed Postmaster. When his term expired in January 1928 I again requested the State Central Committee to endorse him for re-appointment and the full committee recommended him to Senator William P. Jackson, National Committeeman. Instead of Senator Jackson forwarding Mr. Bennett's name to the Post Department for re-appointment he wrote a letter to both Mr. Robert R. Hill, Chairman of the State Central Committee, and Mr. John N. Bennett to visit him at Salisbury. Mr. Hill visited Senator Jackson and withdrew his support of Mr. Bennett without any consultation with the other members of the committee or party leaders, and came out for Mr. William G. Smyth for Postmaster.

I again requested the remaining two members of the State Central Committee, Olin S. Davis and Charles H. Hutchins, to re-endorse Mr. Bennett and they again sent their endorsement to Senator Jackson. Instead of Senator Jackson making the appointment he called an examination for the office and has held up the appointment, playing with both Mr. Hill and Mr. Bennett for support in Kent County for delegates to the State Convention. Senator Jackson has finally forced Mr. Bennett to run a set of delegates against the County Republican Organization, although this organization has given Mr. Bennett its loyal support for the past nine years. Senator Jackson is forcing Mr. Bennett to fight me, his best friend. I know that Mr. Bennett is unwillingly making this fight and I sympathize with him in his present position. However, I am still his friend and shall continue to support him for Postmaster, but I refuse to bow with bended knee before Senator William P. Jackson, who is now seeking re-election although he has been National Committeeman for 20 years, and deliver to him the Republican Organization in Kent.

Mr. Olin S. Davis, a member of the State Central Committee, withdraw as a delegate for Mr. Bennett when he discovered what Senator Jackson was demanding of Mr. Bennett. Mr. Davis will continue to support Mr. Bennett for the Post Office, but he will not be a party to delivering to Senator Jackson the delegates to the State Convention and the Party Organization.

Republican voters of Kent, it is my wish that you come to the polls on Monday, May 7, 1928, and rebuke this attempt of Senator William P. Jackson to get three delegates from Kent by holding up the re-appointment of Mr. John N. Bennett as Postmaster. Vote for the organization delegates to the State Convention who favor the election of Senator O. E. Weller for National Committeeman and Mr. John N. Bennett for Postmaster. Vote for

The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

SERVICE to customers is the aim of banks. REAL SERVICE of any kind is rare. It can only come where there is training, intelligence and spirit. It must come from the heart as well as from the brain. It is not perfunctory, it is the result of vision and of seeking the best interest of others. Its reward is sure and its results are confidence and satisfaction. When a bank says that it gives its customers real service, it makes a large claim. It no doubt does give excellent service in certain cases, but, after all, its average service is what it will be judged by. To make THIS bank average above the average is the task this bank has set before it. That we have not always succeeded is manifest, but the earnestness of the endeavor has brought definite results. It has awakened in our staff the desire to serve. It has put a spirit into our contact with our customers which is apparently appreciated. The real problem is to serve our depositors as well as to advertise to them, and building up good will can only come as, with the passing of time, the public realize that this institution is able and willing to live up to its promises of services as advertised; Better, Broader and More Helpful.

5 PER CENT. INTEREST ON FARM LOANS

Since the annual rate of interest was reproduced to 5 per cent. on November 15th, 1927, The Kent and Queen Anne National Farm Loan Association has received applications for loans totalling $73,000, showing the increasing popularity of this Co-operative method of borrowing money on farm lands.

If you are now carrying a 6 per cent. mortgage on your farm which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest, enabling you to reduce your mortgage principal every year.

If you desire to purchase a farm the Federal Land Bank will finance the proposition to the extent of 50 per cent. of the purchase price on the 5 per cent. annual interest basis.

The Federal Land Bank proposition reduces the principal amount of your mortgage every year until it is finally liquidated on easy payments.

Come in and let me tell you all about it.
