THE NEW FORD CAR

The Following Are Some of the Out-standin Features of the New Ford Car:

BODIES

The bodies of the new Ford are of steel, the only wood used being strips for attaching interior trim, and in the soft roofing of the closed cars. In designing the new Ford car every precaution was taken to prevent squeaks, rattles or drumming sounds. The bodies are built with every feature necessary to eliminate metalic noises. The doors are of heavy construction and welded to give greater strength and rigidity. All body parts that are of steel stamping which might develop noises have reinforcing beads which not only prevent drumming sounds, but also increases strength. In assemblying a boyd, panels and frame sections are welded and riveted together where ever there is a possibility of the body weaving, due to uneven conditions on the road, thus eliminating all chance of metalic squeaks of this nature. In the final assembly of the large units of the body where bolts are necessary strips of antisqueak material are used between the sections. Wherever there are two pieces of metal coming together which might cause squeaks a double ply artifical leather anti squeak tape is put between them. Another feature of the body construction is the insulation of a heavy pad heat insulator on the dash of each car. This pad not only keeps heat from the engine entering the front part of the body, but also serves to quiet noises.

WINDSHIELDS

The windshields of the new Ford cars are of triplex shadow proof glass, and important safety feature. When this glass is broke each small particle of glass adheres firmly to the pyroxlin plastic internal layer with the result that there is no flying glass. This is a higily important safety factor in automobile accidents, a large percentage of injury result from cuts by flying glass, particularly from the windshield. There are also other safety features of this glass. It softens direct sun rays, it breaks headlight glare, it elimnates condensation under windshield of closed cars during winter and is flexible under impact.

There are many more important features of the new Model A car which we will be glad to demonstrate to you if you will give us a call.

LOCAL MATTER

—Due to the weather the Washington College—Loyola base ball game, scheduled for Saturday of last week, was postponed.

—Capt. Wm. C. A. Thompson, one of our prominent up-town merchants, one day this week caught three herrin in his shad net weighing 1¼ pounds each.

—Mr. Moore was fined $100 and costs this week for driving an automobile while under the influence of liquor. He was arrested when he ran into another car.

—Flowers have been planted on the south and west part of the Court yard. The cooperation of the public is asked in helping to make this a beauty spot by keeping off the grass.

—A new Crysler automobile, owned and driven by Mr. Wm. Whaley, was badly damaged on Sunday when it hit a tree at the corner of Queen street and Maple Ave.

—Mr. T. H. Owen Knight was the speaker at the Thursday morning exercises at Washington College. His talk was on his experiences in the Phillipine Islands.

—The Chestertown Rotary Club and the Denton Rotary Club had a joint meeting at Denton on Monday evening of this week. Mr. Clark Fontaine and Coach J. T. Kibler were speakers of the evening.

—Mr. J. H. Clendaniel, Sr., was appointed this week by Governor Ritchie as a delegate to the Good Roads Commission which will meet in Des Moines, Iowa from May 28 to June 1st. Mr. Clendaniel served on this commission in 1920.

—Lovers of good music will have an opportunity to enjoy a Musicale in William Smith Hall, at Washington College, on Friday evening, May 11th, 1928. It will be given under the direction of Miss Louise B. Russell.

—Simon, porter at the Voshel Hotel has never seen an elecric street car. Simon states that he has not been to Baltimore since the horse drawn vehicles were in use. This week he walked up to Washington College, seeing that institution for the first time since before the late war.

—Rock Hall High School easily defeated the Chestertown High team at base ball in Chestertown on Tuesday of this week by the score of 9 to 3. The battery for the Rock Hall team was Williams and Grant while Bennett and Hill formed the battery for Chestertown.

—Miss Hilda Dehl, 17 years old, of Illinois, world's champion amateur typist, gave a demonstration in the Chestertown High School on Monday morning of this week. Her record is 101 words a minute for 30 minutes. The high school students will compete in typing for a free trip to the national contest which will be held in Sacremento, Cal.

—Mr. Harry Fowler, an amployee at the Chestertown plant of E. S. Adkins & Co., had his arm badly broken on Thursday of this week when he was caught in a belt driven by a gasoline engine. He was rushed to Easton hospital where it was found that his arm was badly crushed in a number of places.

—The concert of the Chestertown Volunteer Fire Co. Band promises to be a real treat to music lovers. The concert will be held in the Lyceum theatre Tuesday evening, of next week, May 8th.

—Reports from the post office department show the order in which the applicants passed the recent examination for postmaster in Chestertown, as follows: John N. Bennett, C. N. Satterfield, Parks Rasin, Wm. G. Smyth. The application of Mr. Owen Smith was received too late for consideration. Only the three highest will be considered for the appointment.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared t meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
